

To Whom It May Concern:

We are excited to announce our upcoming event, **Savor SW Washington Wine**. A day focusing exclusively on 20+ wineries from SW Washington, and in partnership with local craft food establishments. This event will be held **on Saturday, May 6, 2023, from 12pm to 5pm**. This is the perfect and unique chance to sample local wine and food all in one place.

Savor SW WA Wine will be held at “The Montage at Groove Nation”, a beautiful event space in Vancouver.

The All-Inclusive ticket price of \$75 will cover your wine, food, and non-alcoholic beverages for the event.

The purpose of this event is to gain exposure for the growing number of SW Washington boutique wineries and local restaurants serving high-end, locally sourced food. Our desire is to increase awareness of local offerings, to drive tourism to our area, and to educate our local community about what is here in their own backyard.

We need your help to make the most impact with this event. We have numerous sponsorship opportunities and welcome your participation in whichever way possible. We are a not for profit organization, but donations are in-kind and not eligible for tax deduction. Please see the sponsorship chart for the choice of opportunities to contribute to our event.
