

THINGS TO DO WITH KIDS

With mountains and lakes, ball games and museums, Burlington is a playground for kids and families. If you're ready for fun in the water, learn to sail at the **Community Sailing Center** or explore the **beaches** of Lake Champlain. Even better, get on board the **Spirit of Ethan Allen** for a sunset cruise. Of course, there's plenty of fun to be had on dry land as well. **Bike rental** options are plentiful and kids love a ride to the Causeway and a trip on the **Bike Ferry**. The nearby Green Mountains also offer challenging climbs and easy, short hikes.

Visit **ECHO at Leahy Center** for an absorbing array of seasonal exhibits and permanent exhibitions highlighting the biology, geology, and history of the Lake Champlain basin, or stroll the grounds of the **Shelburne Museum**, where you'll find one of the most eclectic collections anywhere with a real steamship and an historic circus carousel. The region also has some of the funnest factory tours you'll find anywhere, including **Vermont Teddy Bear** and the **Burton Snowboard** factory.
