VIRGINIA IS FOR GOLF LOVERS

VIRGINIA'S IDEAL LOCATION in the Southern Mid-Atlantic makes it a perfect golf destination. The nation's capital, Atlantic beaches and mile-high mountains are all in close proximity. Major Interstates and U.S. highways connect a variety of golf experiences near bustling cities and quaint small towns – in a climate that's just right.

VIRGINIA'S DIVERSE TERRAIN – from sea-level coastal areas to mile-high mountains (1,600 meters-plus) – offers a wide range of playing challenges.

THIS DIRECTORY provides regional lists of Virginia golf courses open to the public. Each region offers a map with numbers, for general location reference, that correspond to the listed courses.

VISITORS ARE WELCOME at these listed courses; all are either fully public, semi-private (daily rates for play), military (play with a service member), or offer resort play.

All course information was verified in February 2021; please call ahead to confirm, as specific details may change.

BEAUTY, CLIMATE, ACCESS:

THE VIRGINIA GOLF TRIFECTA

VIRGINIA'S GREAT WEATHER,

combined with its scenic landscape that ranges from Atlantic Coast to rolling piedmont to mile-high mountains, creates a golf destination that is as alluring and accessible as anywhere in eastern North America.

Even at its most mountainous reaches, Virginia has a temperate, inviting climate for most of the year. And the state is within a day's drive of 60% of the U.S. population – and much of southeastern Canada – so it's no surprise that golfers from all over flock here for year-round fun.
