## VIRGINIA BEACH BOARDWALK

The Virginia Beach Boardwalk, at the Oceanfront, is a 28-foot wide marvel that stretches three miles from 2nd to 40th Street and features a separate bike path, ideal for strolling, rollerblading and biking. Entertainment is offered nightly during the summer months and four oceanfront stages at 7th, 17th, and 24th and 31st Streets provide live musical acts. Along the boardwalk, there's a variety of quaint outdoor restaurants and vendors offering bike and surrey rentals. Nautical sculptures adorn many of the side streets which lead to Atlantic Avenue. While there, don't forget to swing by and see King Neptune - a twenty-four foot, twelve-ton bronze statue that stands at the gateway to Neptune Festival Park on 31st Street. This is perhaps one of the most popular photo opportunities in the resort area.
