## Something for Everyone at Arcadia Lake

Arcadia Lake, with its first-class facilities and services, invites you to enjoy "A Place For All Seasons."

Enjoy Arcadia Lake waters regardless of the season. Take a refreshing dip at one of the three clean, sandy swim **beaches**. Water skiing and pleasure boating are very convenient with our three concrete boat ramps.

An abundant number of crappie, catfish, saugeye, and large mouth bass thrive in the lake. Our handicap accessible "heated dock" is available for **fish-ing** during the off-season winter months and provides shady relief during the peak summer months.

When you're not on (or in) the water, you can enjoy a round of 18-hole **disc golf** on one of our two courses located in Spring Creek Park.

Arcadia Lake is also proud of its **equestrian trails**. From sunrise to sunset visitors can bring their horses and enjoy 5 miles of trail. It is located just south of 33rd Street on Air Depot. Riders can purchase annual passes or pay at the fee box on the south side of the parking lot.

Host your next event at Arcadia Lake. One of our six **pavilions** is ideal for company picnics, family reunions, youth group outings or birthday parties. Let our trained staff help you plan your next event.

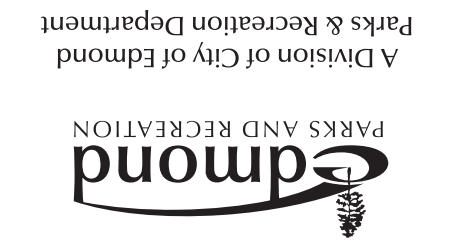

At Arcadia Lake, we pride ourselves on providing visitors with the best services available. That's why we offer **volleyball** and **horseshoe** rentals, and annual passes at our Park Office or through one of four fee collection stations (FCS).

Located at Central State Park and Spring Creek Park Beach is Rusty's Store. You'll find everything from nachos to charcoal and fish hooks! Rusty's is open daily from noon to 8 pm (during season only).
