NORTHWEST FLORIDA

Cross the Florida state line into a world of beautiful nature, rich history and endearing charm. Encounter small towns dotted with moss-draped oaks and picturesque coastal communities, all offering world-famous Southern hospitality.

Referred to by some as the “Panhandle,” this region is best known for its award-winning, white-sand beaches and emerald-green waters. Coastal towns and cities offer a wealth of beach activities and all types of watersports such as boating, parasailing, snorkeling and more.

Inland there are rural lakes, rivers, springs and parks to explore. Outdoor and eco-activity enthusiasts will find endless opportunities to experience nature from touring caves to kayaking, canoeing, hiking, biking, tubing and fishing.

Tallahassee, the state capital, is sometimes described as “The Other Florida,” with its rolling hills and magnificent plantations. It is home to many historical sites, cultural offerings, great shopping, FSU and other colleges and universities.

With its wave wall that stretches two miles along the promenade to its many watersports offerings, a day at Fort Lauderdale beach is so much more than just a typical beach day.

SOUTH FLORIDA

The colorful mosaic of South Florida mixes nature, culture and life's finer things. In this subtropical paradise you'll encounter everything from laid-back waterfront retreats to high-energy, big-city getaways and of course, world-famous sunsets.

To the west is the "Culture Coast" where you can explore beautiful cities like Sarasota and Naples. Along with high-end shopping and dining options, you'll find a wealth of fine arts and cultural venues plus award-winning beaches.

Step to the lively Latin beat of Miami, sway to the calypso rhythms of the Florida Keys or thrill to music of a different sort - the whirl of line spinning off your reel. Try deep-sea fishing off Fort Lauderdale or pursue largemouth bass in Lake Okeechobee.

And for nature lovers, the Everglades National Park offers endless eco-adventures such as hiking and kayaking and is the perfect spot to view herons, alligators and maybe even the endangered Florida panther.

EXPLORE:

LAKE OKEECHOBEE

This beautiful lake spans 730 square miles and is the ideal place to cast your fishing line. Known for the "lunker" bass that inhabit these waters, try your hand at landing one of these trophy sized fish.

Pack so much into so little.

The Florida Keys is home to mile after mile of unique camping experiences, from full-amenity RV resorts to secluded tent sites under the stars. And with the Atlantic Ocean on one side, and the Gulf of Mexico on the other, you'll always have an amazing view. No matter what you're into, the great outdoors really doesn't get much greater.
