With a huge agricultural yield, sending grain and food across the UK, great food and drink is at the heart of what we do in the Lincolnshire Wolds. From the grain stores to the breweries and distilleries, the Wolds have always nurtured a productive connection to its natural resources and is home to innovative local producers, including centuries old butchers, bakers, brewers, cheese shops and farmers.

The Wolds and Louth trails take in estates that are home to farm reared beef and poultry, as well as local distilleries and breweries renowned for their craft beers and gins; farms that produce famous Lincolnshire cheeses and shops, where you can buy seasonal produce lovingly grown and produced in the Wolds.
