PROHIBITED ITEMS

Outside food and beverage, weapons, pets, strollers, and professional camera equipment are **strictly prohibited**.

To provide a safer environment for the public and significantly expedite guest entry into Propst Arena, the VBC has created a Bag Policy that limits the size and type of bags that may be brought into the arena.

The VBC recommends leaving bags at home. However, if a bag is necessary, the bag must meet the following criteria:

CLEAR BAGS:

- Bags cannot exceed 12" x 12" x 6"
 - Includes clear backpacks, clear fanny packs, clear clutch bags, diaper bags, and clear one-gallon plastic food storage bags that fit within the permissible dimensions.
- Bags must be CLEAR plastic, vinyl or PVC.
- Bags cannot be tinted with color or include imagery preventing visibility into the clear bag.
- No buckles, grommets/hardware or décor can be concealing any part of the clear bag.

NON-CLEAR BAGS:

- Non-clear bags under 5"x7" will be permitted. Any type of non-clear bag exceeding 5"x7" in size will not be permitted inside the arena.
- Diaper bags must be clear and meet VBC bag policy specifications. Baby and infant care items (bottled formula/milk, small snacks) are allowed in the clear diaper bag but must have a child present
- Exceptions may be made for medically necessary items only after proper inspection by security personnel. Medical bags or special medical equipment can be screened at any of our venues' entry points for your event. Guests who have these items should alert security to check their bags and tag as a medical-approved bag.

PROHIBITED ITEMS:

- Outside food and beverage, weapons, pets, strollers, and professional camera equipment are strictly prohibited. Prior to attending an event, guests are encouraged to visit the VBC website for additional guidelines and to see the list of prohibited items.
