Huntsville, Ala. – Rhythm on Monroe is pleased to announce the appointment of Chef Becky Vibbart as the Chef de Cuisine. Chef Vibbart will be responsible for overseeing the menus, inventory and staff, including the dining room and rooftop bar.

“We are excited to welcome Chef Vibbart to the Rhythm on Monroe team,” remarked Rhythm on Monroe General Manager Stephen Ryberg. “Chef is extremely talented, with an impressive culinary background, and we are confident guests will love what she brings to the table.”

Chef Vibbart has worked in the culinary field since she was 14 years old, but has always been fascinated by the art of cooking since she was a child helping her mother cook family meals.

“My mother was an amazing cook who taught me well,” remarked Chef Vibbart. “Memories are made over food and I enjoy making special memories for people. There are some recipes that stand the test of time and I try to honor those who I’ve learned from over the years since they took the time to teach me.”

Chef Vibbart has a son and a daughter, along with several other children whom she has helped to grow throughout the years and lovingly claims as her own.

Chef continued, “I will have been in this crazy, stressful, amazing world of culinary for 35 years this year. I began my restaurant “tour” of Huntsville at The Mill on Governor’s Drive when I returned home from the University of Alabama. From there, I went to Green Hills Grille and then The Green Bottle. I have worked in mostly independent restaurants, including The Ledges, 801 Franklin and Lyn’s Gracious Goodness. The last several years, I’ve traveled to different areas of the country working for festivals and resorts before returning back to my roots.”

Her culinary style is simple and delicious. “Stephen likes to say there is no Back of the House, there’s the Heart of the House. I want my team and I to create dishes with care, passion and quality ingredients. No compromise. I strive to surround myself with people who have a passion for food, and who contribute to creating a calm, relaxed, clean atmosphere where we’re all proud to serve our guests. I believe Rhythm on Monroe will be a shining star for Huntsville and I am excited to be a huge part of this endeavor!”
