

Painter / Sheetrock / Wallcovering

Position Summary:

We are seeking a skilled and detail-oriented painter who is also experienced in sheetrock installation & repair. The ability to hang wallcovering is a plus. The ideal candidate will be responsible for preparing, finishing, and maintaining interior and exterior surfaces. This role requires versatility, craftsmanship, and the ability to deliver high-quality results across painting, drywall, and wallcovering projects.

Key Responsibilities:

- Prepare surfaces for painting, finishing, or wallcovering, including sanding, patching, taping, priming, and repairing sheetrock.
- Apply paint, stain, varnish, or other finishes to walls, ceilings, trim, and other surfaces using brushes, rollers, or spray equipment.
- Install, repair, and finish drywall, including taping, mudding, and texturing.
- Measure, cut, and install wallcoverings (vinyl, fabric, or specialty coverings), ensuring alignment and smooth application.
- Mix and match paint colors, ensuring consistency and desired finish.
- Inspect completed work to ensure high-quality standards and compliance with safety requirements.
- Maintain tools, equipment, and a clean work environment.
- Collaborate with supervisors, contractors, or team members to meet project deadlines and specifications.

Qualifications:

- Proven experience as a painter is a must, additional skills in drywall repair/installation The ability to hang wallcovering is a plus
- Knowledge of painting techniques, materials, tools, and safety practices.
- Strong ability to prepare and finish surfaces to a professional standard.
- Ability to read blueprints, drawings, or work orders when required.
- Good attention to detail and problem-solving skills.
- Physical stamina to handle lifting, standing, and working at heights.
- High school diploma or equivalent preferred; trade certification a plus.

Preferred Skills:

- Experience with spray-painting equipment.
- Familiarity with specialty finishes and textures.
- Ability to work independently and as part of a team.

Working Conditions:

- Indoor and outdoor work environments.
- May require working at heights, using ladders or scaffolding.
- Full-time position with occasional overtime depending on project deadlines.
