

WGACC – Simpleview Extranet Subcategory Change Request Form

One of the major benefits of the new www.explorewatkinsglen.com website is that members have the option to be listed on multiple locations on the site with subcategories. Each member is assigned a category upon joining the Watkins Glen Area Chamber of Commerce, and like their amenities, have the ability to pick their subcategories. Below you will find available subcategories based on each category.

If you would like to change/update your subcategories, please make up to four (4) selections of subcategories in your category. Return page with business name and contact information.

You may view your current categories/subcategories by visiting the WGACC – Simpleview Extranet. You will find the information by the following navigation: COLLATERAL > LISTINGS > select/edit your listing > CATEGORIES.

Please note staff of WGACC will review all requests and are subject to the final decision of selections.

To submit your request, please email to liz@watkinsglenchamber.com or katherine@watkinsglenchamber.com. Requests can also be mailed or dropped off at the Chamber.
