MOUNTAIN BIKING

Sylvan Hill Mountain Bike Park

- Nine Mile County Forest**
With over 12 miles of single track, Nine Mile County Forest is great place for all levels of mountain bikers to ride. A variety of terrain gives the rider plenty of play-in-the-dirt fun. From the flowey Yin to Yang to the technically advance expert loop, Nine Mile has it all.

Big Eau Pleine County Park
8 miles of technical single track with 12 miles of devel-oped trails allow hiking and horseback riding. Visitors can also fish and there are several fishing points near the en-trance of the park and adjacent to the three boat landings in the park.
- Sylvan Hill Mountain Bike Park**
A one-of-a-kind mountain bike park in Wisconsin, Sylvan Hill Mountain Bike Park . Comprised of one main loop, the easiest of the trails. Off that loop, are three jump-line/flow trails that progressively get more difficult all the way to double black diamond. Pump track and skills area.

Ringle Trails
Located at the Marathon County Landfill, The Ringle Trail System has a total mileage of 10-11 miles.

Trail is a network of smaller loops that can be combined into one larger loop. All trails, Rock the Wierzba, Ruby Ridge, Lost Forty and the Rookery are fully machine con-structed. Numerous jump, gap, drop features are scattered throughout the trail with all features with optional ride-arounds.
