December 18, 2024 Board Meeting Minutes

Granite Peak

11:30 am

Board Meeting called to order by Fisher. Roll call taken by Patel.

Present: Jamie Polley, Greg Fisher, Steve Krahn, Joan Joss, Gaylene Rhoden, Tim Van De Yacht, Hooshang Zeyghami, Mayor Doug Diny, Sean Wright, Nick Patel, Tim White, Jodi Maguire, Brenton Wildman, and Gao Her.

Zoom: none

Call for a motion to accept meeting minutes from October 31, 2024 with a correction in the spelling of Mayor Doug Diny's last name made by Patel, second by Krahn, and approved by all.

Financial Reports

Krahn gave a brief update on the financials by stating the CVB showed a profit of \$98,000 which included the payroll. Krahn stated this is in a combination of increased revenue with room tax funds and not hiring the additional staff member that was reflected in the 2024 budget. Krahn stated the Sports Authority is showing \$13,000 ahead of budget. Krahn stated this is due to cutting expenses as needed and evaluating costs. White stated a contingency budget has been developed in case there is an increase of funds for 2025. Krahn stated the updated budget was also included in the packet with the correction in line 732 for Meals & Entertainment. Maguire stated she lowered the 733 line for insurance to make up the additional funds and mistake in line 732. White stated the CVB & Sports Authority will be changing insurance carriers during the renewal stage and both policies will be with West Bend Mutual and will save over \$6,000 in 2025. Polley asked if the Village of Weston was reflected in the budget. Maguire stated it wasn't due to the board packet needing to be out by a certain timeframe. Polley asked if it was

adjusted for the Sports Authority and Maguire stated no. Maguire stated the Village approved on Monday evening and there wouldn't of been time to reflect it in the budget and be available for all Board of Directors to review. Maguire stated the Sports Authority was .05% of the room tax so it wouldn't see a dramatic decrease. The rest of the funds that were going into the Sports Authority were restricted from Weston and are not accounted for in the Sports Authority budget.

Call for a motion to accept the financial reports and 2025 proposed budget as printed by Fisher. Motion to accept made by Patel second by Rhoden, approved by all.

Update on 2026 World Horseshoe Tournament

Maguire stated the President of the NHPA came to Central Wisconsin on December 6th and toured venue spaces and the Greenheck Turner Community Center. Maguire stated since late summer, there has been a change in leadership with the NHPA and they are focused on cleaning up loose ends and areas of concern. It was brought to their attention during a sub committee meeting that was formed locally that the GTCC currently doesn't have air conditioning on the turf area. Maguire stated with the tournament being held in mid-summer over the course of two weeks, air conditioning is a must to keep all athletes safe and comfortable. Another concern they have is the flooring that can be placed on top of the turf area. The original plan was to place the flooring where the pitcher mounds would be, but Maguire stated she attended the State Tournament held over Labor Day weekend and stated this would not be feasible and athletes would be pitching up hill verses level. Maguire stated GTCC currently has enough flooring to cover 30,000 square feet of the turf with the turf space being 70,000 square feet. Maguire stated a rough draft floor plan was determined at the site visit and more flooring would be needed.

Maguire stated she is working on a grant opportunity with Wisconsin Economic Development. This grant requires matching funds to be approved. Maguire stated the committee along with GCTT are receiving estimates that can be included in the grant. This would include portable air conditioning units and extra flooring. Maguire stated the portable air conditioning would be a plan b and stated the GCTT is looking into alternative solutions and will hopefully have something in place by 2026. Maguire stated if this happens, this would then free up extra funds in the grant for any additional expenses for the tournament. Maguire stated she will keep the board informed as more updates become available.

Executive Director Report & Marketing Update

White provided a brief update on what the DMO has been working on. White shared the development of a podcast that would be similar to "920" – hosted by Discover Green Bay. White stated this would be another PR piece for our organization. White stated the podcast is the developing stages and will start in early 2025 being taped. White also shared that he has been working with Iron Bull to be their marketing agency for campaigns. White stated the Badger State Games is currently in a marketing campaign right now on social media and has positive feedback.

White stated he created a landing page off the Visit Wausau website:

www.visitwausau.com/marketing to show all the marketing assets Visit Wausau currently has and stated he will continue to update this page and more content becomes available. White stated the team is working on a winter marketing video. Patel asked White if there would be any grants available for the NFL Draft bus shuttles. White stated he wasn't aware of any but is in the works on developing a separate ticket that can be purchased. Polley asked if there are any seasonable peaks. White stated July used to be, and late spring is the seasonable low period in Central Wisconsin currently. Maguire stated prior to 2019, July was the lowest month but with the change in events it is one of the stronger months. Fisher asked about signage. White stated he is working with the County to replace the entering signs into Marathon County. White stated the County is working on the renewal of the leases from the landowners and it will be changed out to Wisconsin's Outdoor Basecamp and will feature Visit Wausau's Website. White wanted to thank all board members for a good year and stated he is thankful for everyone.

Election of New Board Members

White stated five community members expressed interest in joining the board.

Bob Lamovec: Community Business Owner

Eric Johnson: non-for-profit lawyer for Ruder Ware

Jahn Martin; member of CWOCC, Event owner/leader and apart of the Village of Rothchild's

Outdoor Recreation Committee

Liz Wendt also known as Liz Brodek; with Wisconsin Economic Council

Marc Kettleson; Banker at Wood Trust Bank.

Krahn asked how many openings seats are there. White stated eight. Krahn asked if these individuals were approached or did they express interest. White stated it was a mixture and stated he was the only one who approached them. Patel stated it would be nice to see more lodging representatives but understands it is difficult. Rhoden asked the board if a certain number of how many should be added needs to be discussed. The Board discussed equal and odd numbers with quorums and still wanted to leave open seats if the Village of Rothschild comes on board. White stated if all five are added, there are still up to three seats open.

Call for a motion to elect five new board members to the CVB/SA Board of Directors as Bob Lamovec, Eric Johnon, Jahn Martin, Liz Wendt and Marc Kettleson by Fisher. Motion to accept made by Wright, second by Krahn, approved by all.

Village of Weston Update

Polley gave a brief update stating the Village of Weston Tourism Commission approved 40% contract for 2025. Polley stated 37.5% with the 2.5% for administering their grant funds. Polley stated the vote was 3 to 2 with it passing. The contract went to the Village of Weston's Trustee meeting held later in the evening and approved. Two Village of Weston's Trustee were not in favor, but it passed.

Call for a motion to approve the Tourism Entity Contract between the Wausau/Central Wisconsin CVB and the Village of Weston for 2025 as printed by Fisher. Motion to accept made by Krahn, second by Polley, approved by all except Zeyghami, who abstained his vote.

Visit Wausau 2025 Business Plan: Lean Model

Identity

The premier Destination Marketing Organization (DMO) for Central Wisconsin, providing innovative marketing, strategic collaboration, and visitor-focused experiences. We position Wausau and Marathon County as Wisconsin's Basecamp for sports, outdoor recreation, arts, and culture.

Our Solution

Inspire visitors with authentic, value-driven itineraries, enhanced online and in-person interactions, and innovative campaigns that reflect the unique assets of our region. Expand brand awareness, especially the Basecamp brand, and drive interest in meetings, sports tourism, and outdoor activities.

The Competition

Primary competitors include Eau Claire, Stevens Point, Oshkosh, La Crosse, Appleton, and Minocqua. Secondary competitors encompass regional DMOs targeting similar markets for outdoor activities and cultural tourism.

Strategic Goals for 2025

- 1. **Digital Presence Refresh**: Optimize website design for user experience, reduce menu options, and increase newsletter sign-ups and bookings.
- 2. **Content Excellence**: Enhance blogging, SEO, and video content with an emphasis on outdoor recreation, culinary tourism, and arts and culture.
- 3. **Engagement Growth**: Launch podcast episodes, leverage TikTok and Instagram for awareness, and execute a PR strategy that highlights Wausau's "Basecamp" branding.
- 4. **Community Collaboration**: Strengthen partnerships with municipalities, local businesses, and attractions through systematic engagement plans.
- 5. **Sports Tourism Development**: Focus on the Badger State Games and securing high-profile events like the World Horseshoe Tournament.
- 6. **Grant Funding and Sustainability**: Submit two major grant applications to support marketing, operational goals, and outdoor projects.

Target Market

- **Primary**: Women aged 29-39 with children, the primary travel decision-makers.
- **Secondary**: Outdoor recreation enthusiasts aged 30-50, seeking adventure, arts, and dining experiences.
- **Tertiary**: Retirement-age outdoor and culture enthusiasts, aged 60+, who prioritize midweek travel and value cultural and recreational opportunities.

Marketing Activities

- **SEO & PPC**: Strengthen targeted campaigns for increased website traffic.
- **Video & Blogging**: Produce engaging video content (e.g., "Behind the Plate" chef series) and blogs focused on seasonal activities and events.
- Social Media: Enhance TikTok campaigns and optimize posting cadence across platforms.
- Email Campaigns: Expand newsletter reach with tailored itineraries and exclusive offers.
- **PR & Partnerships**: Leverage relationships with Sports Wisconsin, Destinations Wisconsin, and local partners to amplify media exposure.

Revenue Streams

- Room Tax Revenue: Core funding from contracted municipalities.
- Grants: Secure \$50,000+ in grant funding by Q2 2025.
- **Partnerships**: Revitalize and grow non-hotel partner contributions.
- Merchandise: Launch an online merch store to drive incremental revenue.
- Event Revenue: Increase participation and sponsorships for Badger State Games and other events.

Budget Overview (Key Adjustments from 2024)

- **Marketing**: Increase investment in digital advertising and website optimization (+\$10,000).
- Salaries: Reallocate resources to support content creation and partner engagement.
- Events: Optimize costs for Badger State Games while expanding participant offerings.
- **Technology**: Streamline CRM/CMS and implement a Digital Asset Management (DAM) system.

Operations

- **EOS Implementation**: Focus on weekly meetings and measurable ROCKS for team alignment.
- **Staffing**: Ensure cross-functional collaboration between sales, marketing, and creative teams.
- Volunteer Database: Develop a centralized platform for event support.

Milestones

- 1. **Website Launch**: Complete refresh by February 2025 with measurable improvements in bounce rate and conversions.
- Podcast Debut: Release first two episodes of "Wisconsin's Basecamp" by March 15, 2025.
- 3. Badger State Games: Achieve 5% growth in registration and sponsorship revenue.
- 4. **Grant Submissions**: Finalize two applications by January 31, 2025.
- 5. **PR Metrics**: Secure 20 media mentions and five feature articles by mid-year.
- 6. ADA Accessibility: Launch dedicated webpage for accessible activities by Q1 2025.

Key Performance Indicators (KPIs)

- Website traffic: Increase by 20%.
- Social impressions: Achieve 1M total impressions.
- Email sign-ups: Grow database by 15%.
- Event registrations: Increase by 5% YOY.
- Grant funding: Secure \$50,000 in 2025.

Conclusion

Visit Wausau's 2025 business plan builds on the foundation of previous successes while embracing innovative strategies to position Wausau as Wisconsin's Basecamp. With a lean and focused approach, the plan leverages digital tools, strategic partnerships, and authentic storytelling to drive tourism and economic growth in Marathon County.

SEO RECOMMENDATIONS

*Music Lovers Guide to Wausau

Create a blog dedicated to the music scene in Wausau to expand on the content of the Nightlife page, not only for those looking to listen to live music, but also for musicians who may be interested in checking out local music stores or attractions. Even those heading into the great outdoors may want to pick up a spare set of guitar strings before they get underway or grab a forgotten capo ahead of those fireside singalongs! Highlight any local bands or musicians with devoted local followings and bars/restaurants that regularly host live music. Lastly, include internal links to the Events Calendar and Nightlife pages to encourage further site exploration.

Keyword Research:

*Foraging in Wisconsin

Expand your outdoors content with a blog post featuring tips on foraging in the Wausau area. Foraging is a great way to learn more about your surroundings and can act as a scavenger hunt on your hikes or camping trips. Emphasize good foraging habits (only take from large patches, leaving some for the animals and enough to grow back next year), include internal links to listings for places where you can forage (laws vary based on federal, state, and county land), and highlight tools for plant/mushroom identification by linking to any outfitters or bookstores that carry field guides to Wisconsin plants and fungi or any organizations that offer classes or guided foraging hikes. Feature any restaurants that carry locally foraged seasonal items, like ramps or mushroom dishes in the spring for those who aren't ready to get out and gather the goods on their own.

Forageable foods in Wisconsin: morel mushrooms, ramps (aka wild leeks), asparagus, fiddlehead ferns, blueberries, black raspberries, june berries (aka service berries or Saskatoon berries), stinging nettles, acorns, walnuts, garlic mustard (an tasty invasive!), chanterelle mushrooms, dandelions, and varieties of hen of the woods mushrooms

Highlights

- Google campaigns saw year-over-year improvements, with a 160% increase in impressions, largely driven by the addition of the Badger State Games Performance Max campaign and re-enabling of the Outdoors Performance Max campaign.
- The increase in the account-level CPC was mainly due to increased competition with things to do keywords with Travel Wisconsin. This increase in competition has been seen with other Wisconsin DMOs, as well as general increase in CPC during the holiday season.
- Engaged sessions increased 113% compared to last year, with total conversions also increasing by 67%. The account-level 90% engagement rate was stronger than the industry average, with re-enabling the Outdoors Performance Max campaign being the main driver in these improvements.
- Partner Referrals beat another record high for 2024 with reaching 1,259 total. The Badger State Games campaign drove these referrals. Outdoor Rec Pageviews and Digital Guide Views also increased year-over-year.
- For Meta, the account-level CTR hit a record high since the account launched with a 2.7% CTR, nearly three times higher than the industry average of 1%. The Badger State Games campaign drove up the account-level metric with a campaign CTR of 3.7%, indicating user targeting and ad copy highly resonated with one and other.

DESCRIPTION OF EVENT

Youth soccer tournament

EVENT HISTORY

Please write a brief description of the growth and development of the event over the past few years:

We are proud to say that we have returned to pre-pandemic levels of participation. Early on establishing the tournament, we hosted teams from mainly our local areas, Eau Claire, and the Fox Valley. We now host teams from Illinois, Michigan, and Minnesota, and are able to draw competitive teams from Madison and Milwaukee. The Sports Authority has generously supported MC United Mountain Bay Cup since its inception 14 years ago. We are very proud to be the Badger State Games Soccer Tournament Host.

This tournament we plan to continue improving the event. We plan to have a Friday night (5/2) 'Showcase Match' under the lights on the main field. We hope to create a fun event where there is large crowd, music, and food vendors. We did this last year and it was a big success. On Saturday night (5/3) we plan to have a 'Coaches Match' under the lights as well. Again we hope to draw a big crowd to the complex at night and celebrate soccer. We are also hoping to have an academy type event where local 7-8 year olds can enjoy the tournament festivities and have fun playing against new teams. This could significantly boost the attendance and participation numbers. We anticipate using the Greenheck Turner Community Center for the event to further showcase the community and our sporting venues.

Efforts are being made this offseason to make this tournament an even more desirable tournament for competitive teams. If successful it will mean more teams traveling to Wausau from outside Central Wisconsin, hopefully enjoying the event & competition, and then continuing to return.

In 2024 our two tournaments were completely full and had a record number of teams, players, and spectators. Area hotels were near or at capacity for both of these weekends due to these events due to the high percentage of non-local

teams participating in the events. We anticipate high interest in our tournaments for 2025 and building on the huge successes from 2024.

Efforts have also been made to highlight that this soccer tournament is the BSG. Our tournament logo has been improved and now states 'Official tournament of the BSG' (with the logo). The tournament's page also references this tournament as being the official tournament of the BSG. Our tournament on the Wisconsin Youth Soccer Association tournament center website lists, MC United Mountain Bay Cup 2025 (Badger State Games). This is the website where soccer clubs research when and where sanctioned youth soccer tournaments are being held in the state. Our tournament website also has the BSG logo & Sports Authority logos to recognize the partnership over the years.

POLICIES AND PROCEDURES

The Wausau/Central Wisconsin Convention and Visitors Bureau's Sports Authority Fund is designed to assist local, regional and national sports organizations in hosting their events in Wausau/Central Wisconsin.

This application must be filled out completely and returned to the Wausau/Central Wisconsin Convention & Visitors Bureau (CVB) prior to the event date for review by the Sports Authority Advisory Committee and approval by the CVB Board of Directors.

Additional Criteria for Applicants to note:

- 1. Any event seeking funding from the Sports Authority must hold the event in one of the communities represented by the Wausau/Central Wisconsin Convention & Visitors Bureau.
- 2. All area hotels must have an opportunity to submit a room block proposal through the CVB sales lead system in order for an applicant to receive Sports Authority funding.
- 3. If the event is a bid event, please submit all bid documents, including an award letter if applicable, with your application.
- 4. There is a limited amount of funding available. Applications will be competitive. The following criteria are important to the successful funding of an application:
 - a. Total economic impact generated by the event
 - b. Total room nights generated by the event
 - c. Type and distribution area of media coverage
 - d. Potential for future growth of the event
 - e. Potential as a step to hosting additional events or larger tournament
 - f. Sponsorship Benefits Received
 - g. Community Support
- 5. New events may be funded for up to three (3) years. Applicants are required to provide a matching dollars investment into the event that will increase by 25% each year unless room night production increases by 25%.
- 6. At the conclusion of the event, the CVB requires a detailed report outlining the estimated attendance, room night production, positives and negatives of the event, and plans for the future. Upon receipt of this report, the remaining 15% of the allocated funding will be released to the applicant. Failure to submit this report within 60 days of the conclusion of the event will cause applicant to forfeit any remaining monies awarded and will prevent the applicant/organization from receiving future funds.

Application Acknowledgement

The signature below acknowledges that the above information is true to the best of my knowledge at the signing of this application. I understand that Information deemed inaccurate or misrepresented could result in a denied application or loss of event funding. I have read the policies and procedures noted above. Funding is not guaranteed by the submission of this application. I understand that a final report on the event must be submitted within 60 days of the completion of the event.
