White asked Rib Knights Snowmobile Club what the funds would be used for. Johnson stated funds would go to the cost of banners, posters, marketing of the event on the radio. Zeyghami asked what happens if the event is cancelled. Johnson stated February 12th will be the determination date if the event moves forward or if it is cancelled for 2024 due to the lack of snow. Krahn asked the Rib Knights how this event is different from past years. Johnson and Kolden explained the full event for 2024 will fall under their umbrella and in years past they always assisted with the event and provided volunteers. Zeyghami asked how many volunteers are needed for the event to be successful and if they ran into any difficulties finding volunteers. White stated externally, he has been meeting with community stakeholders and municipalities to listen, educate and develop a working partnership. Van De Yacht stated to White this was a good plan for 2024 and stated the organization needs to be strategic with funds. Fisher asked White how text and emails are being captured currently. White stated the organization just switched platforms and currently working with Act-On with Simpleview for the newsletters and SMS texting. White stated this is just being launched but they will be able to engage with visitors once the platform is complete. Van De Yacht asked how many subscribers are in the database now and White stated about 6,000 and continuing to receive leads daily. Patel suggested tracking emails from visitors who sign up for the 45 X 90 club.

Wright stated there needs to be a focus on Arts & Culture in the marketing strategies and stated he feels it is currently lacking. Wright stated some of his board members feel the shift in marketing went from sports to the outdoors with no mention of Arts & Culture. Krahn stated having the annual Town Hall Meeting might help bridge the misconceptions or help educate the focus. Van De Yacht agreed with Krahn and stated the annual Town Hall Meeting should take place before contract renewals. Van De Yacht asked the board if there should be two meetings instead of one – one focused for municipal leaders and another for community stakeholders and community members. Van De Yacht suggested hosting a meeting sooner than later with the Arts Board to discuss their concerns.
