Why Westchester?

You'll find great and varied locations, talented crew, essential equipment, a seasoned film office staff, and welcoming local communities—all in Westchester County. Just minutes north of New York City, this film-friendly county has bustling cities, suburban life, quaint country villages and artsy rivertowns—an array of versatile sites.

Westchester County Offers

- Outstanding air and ground transportation including Westchester County Airport, Metro-North Railroad with service from/to Grand Central Terminal and AMTRAK
- 5 diverse cities and 19 villages and towns, many with Main Street communities
- Thousands of acres of parkland, hiking and biking trails
- 67 square miles of water, including Hudson River and Long Island Sound shorelines, and natural lakes
- Many film-friendly hotels, colleges, and universities
- More than 50 public and private golf courses
- Several historically significant sites, including an 1838 Gothic Revival mansion, a century-old art deco amusement park and one of the oldest theatre/music halls in the country
