

An Easy Guide to Using the “Westchester With Care” Facebook Frame on Your Profile Picture

It’s easy to show your pride for Westchester on Facebook. Here are two ways to update your profile picture with the new campaign frame:

Option A:

- When logged into Facebook, hover over your profile picture of your business or personal page
- Click “Update” then “Add Frame”
- Search for Westchester with Care
- Select the frame, and adjust the placement of your profile picture as needed
- Choose for how long you’d like to use the Westchester With Care profile picture before Facebook automatically removes it. Options range from “never” remove to “1 hour” – or you can set a custom timeframe.
- Select “Use as Profile Picture.”

Option B:

- Make sure you’re signed into your Facebook account
- Click on this link to the Westchester With Care frame:
