It was one of the earliest settlements in what was to become the state of Indiana. Archaeology and research show that the area was home to approximately 2,000 to 3,000 inhabitants during its most profitable times. The replica blockhouse, built in 1930, is open weekends mid-May through August. The park also hosts the annual Feast of the Hunters' Moon festival in autumn. Programs and tours may be arranged through the Tippecanoe County Historical Association.

PRIDE PREVAILS

TRADITIONS AND FACTS

HAIL, HAIL TO OLD PURDUE! With a rich tradition and a global reach, Purdue's flagship West Lafayette campus is home to 43,000 students from all 50 states and nearly 130 foreign countries. Renowned initially for its programs in agriculture and engineering, our academic repertoire now includes 200+ majors and more than 80 graduate programs. In addition, we have nearly 1,000 diverse student organizations.

BOILERMAKER

Our "Boilermaker" nickname dates to 1891, when Purdue football players were featured in a Crawfordsville newspaper headline after they soundly defeated Wabash College.

HAIL PURDUE

Although University events are the most likely place for Boilermakers to join in a chorus of Purdue's official fight song, it's not uncommon to hear it somewhere on campus every day.

BOILERMAKER SPECIAL

Purdue's official mascot is the Boilermaker Special locomotive, and the first rendition of the Special was presented to the student body on Sept. 11, 1940.

OLD GOLD AND BLACK
SCHOOL COLORS WORN WITH **PRIDE**

PURDUE PETE

Pete is our unofficial mascot, and is one of the most recognized characters in NCAA sports. Although he's undergone a few makeovers, you'll usually see him with trademark helmet and hammer, ready to cheer the Boilermakers on to victory.

AN INTERNATIONAL UNIVERSITY

Purdue ranks as the No. 4 public institution in the U.S. for international student enrollment with 4,600 undergraduate international students and over 4,200 at the graduate and professional levels. Additionally, about 20 percent of our faculty was born outside the United States.

OUR PLACE IN SPACE

Purdue is called the "cradle of astronauts" for good reason. Twenty-four graduates have become astronauts, including the first and most recent people to walk on the moon. And yet, we have an even broader link to space exploration. Many Purdue professors and students — past and present — are deeply involved in research that furthers our reach into space while improving lives on Earth. See purdue.edu/space.

Purdue advances an ambitious agenda that places us among the world's great academic institutions: **PURDUE MOVES.**

The challenges are extraordinary, but our resolve is strong. Through these visionary initiatives — affordability and accessibility, online education, STEM leadership, world-changing research, and transformative education — we forge a path of innovation, achievement and growth. These five measures are pivotal as we harness the unstoppable power of Purdue.

Our researchers make discoveries that have a critical impact in the real world — not just in the lab. Purdue is an economic engine. We set a new pace for technology transfer and research commercialization. Experience our discoveries and innovations for yourself through Discovery Park, the Purdue Research Park and many other research outlets.

Purdue is forging the future of online education, providing premier opportunities for students of all kinds. We offer hundreds of online courses, with Purdue Online serving traditional students and Purdue Global focused on working adults.

WE ARE PURDUE.
WHAT WE MAKE MOVES THE WORLD FORWARD

Purdue is at the forefront of innovation both inside and outside the classroom, giving students access to some of the most effective and modern teaching and learning approaches to better prepare them for today's and tomorrow's careers.

By leveraging our historic strengths in science, technology, engineering and mathematics (STEM), Purdue answers the national call to prepare a greater number of highly capable graduates in these disciplines.

Purdue has set a national standard for student affordability and accessibility. We focus on optimal value and expanded opportunities.

A computerized carillon marks every half-hour and plays the Purdue fight song and the alma mater at 12:20 p.m., 5 p.m. and 10 p.m. A time capsule, which rests at the base of the tower, will be opened in 2095.

DAUCH ALUMNI CENTER

403 W. Wood St., 765-494-2727

The Dick and Sandy Dauch Alumni Center, dedicated in 2004, celebrates the history of Purdue and its alumni, serving as the primary center for more than 450,000 living alumni and 68,000 Alumni Association members. The airy atrium houses several exhibits, highlighting University and alumni achievements.

ELLIOTT HALL OF MUSIC

712 Third St., 765-494-3920

Seating 6,005 people, Elliott Hall of Music is one of the nation's largest proscenium theaters. In 1934, Edward C. It hosts many Purdue Convocations events, such as Broadway musicals; operas; and rock, country and pop groups. It also is home to the Purdue Musical Organizations' Christmas Show.

CLASS OF 1939 WATER SCULPTURE ■ This walk-through fountain, dedicated in 1989 with a gift from the Class of 1939 and known unofficially as the Engineering Fountain, is surrounded by engineering-related buildings and Hovde Hall in the heart of campus. A 10-foot protective cylinder was added over the nozzles in 2001 for safety.

JOHN PURDUE MEMORIAL FOUNTAIN ■ This fountain, located near University Hall, was a gift on behalf of the Class of 1894. In accordance with his wish, Purdue University benefactor John Purdue was buried near the fountain.

STONE LIONS FOUNTAIN ■ The Class of 1903 donated this fountain, which is located on the Oval Drive near Stanley Coulter Hall. A student-led fundraising effort restored the water connections to the fountain in 2001.

WILMETH ACTIVE LEARNING CENTER

340 Centennial Mall Drive

When the Thomas S. and Harvey D. Wilmeth Active Learning Center opened in fall 2017 with 27 active learning classrooms, the Library of Engineering and Science and a grand reading room, it became an immediate academic destination for approximately 5,000 students and faculty daily. The flexibility of the collaborative/learning/study space is showcased after classes end, when the building becomes one giant study area that is open 24/7 to those who swipe a PUID card. The splendor of the 164,000-square-foot building is the look and feel of the interior, rich with reproductions of historic photos and salvaged artifacts that memorialize the 1924 Heat and Power Plant with its towering smokestack that occupied this location for nearly 90 years. It was a source of power and heat to the University, and also a laboratory, or “active learning” experience for engineering students.

MCGINLEY FOUNTAIN ■ Dedicated as part of McGinley Plaza in 2009 near the Burton D. Morgan Center for Entrepreneurship, this lighted, curved-glass fountain includes iconic campus images: Ross-Ade Stadium, the Bell Tower, Purdue Memorial Union, Hovde Hall, Mackey Arena and Neil Armstrong Hall of Engineering.

FRANCE A. CORDOVA RECREATIONAL SPORTS CENTER

355 N. Martin Jischke Drive, 765-494-3109

The France A. Córdova Recreational Sports Center is five floors of ultramodern fitness and wellness resources. After wrapping up a \$98 million renovation in 2012, the facility now boasts 355,000 square feet.

HOVDE HALL OF ADMINISTRATION

610 Purdue Mall

In 1975, Purdue renamed the Executive Building the Frederick L. Hovde Hall of Administration. During Hovde’s presidency (1946-71), 80,000 men and women graduated from Purdue, and enrollment more than quadrupled. The offices of the president, provost, bursar and registrar are housed in Hovde Hall.

PURDUE MEMORIAL UNION

101 N. Grant St., 765-494-8900

Opened in 1924, the Purdue Memorial Union (PMU) memorializes the Purdue men and women who died in military service. Students of the Class of 1912 originated the “union” idea as a place to plan and conduct activities. Today, it remains a campus hub with dining, the 1869 Tap Room, meeting rooms, recreation facilities, Boilermaker Station and the Union Club Hotel.

NOTE: Portions of the Union will be under construction during 2019-20. The Union Club Hotel will be closed as of June 3, 2019.

KRACH LEADERSHIP CENTER

1198 Third St.

Dedicated in 2014, the Krach Leadership Center is a hub to help students succeed inside and outside the classroom. The center houses student resources, including academic help, leadership development programs and student organization meeting space. An Amazon@Purdue site also is housed here.

SCHLEMAN HALL OF STUDENT SERVICES

475 Stadium Mall Drive, 765-494-1776

Schleman Hall, home to Purdue student services and undergraduate admissions, is named for Helen Schleman, director of the first women’s residence hall in 1934 and who served as dean of women, 1947-68. She championed women’s rights, including terminating a curfew for women students and spearheading a freshman conference program for women.

UNIVERSITY HALL 672 Oval Drive

The only building remaining from the original six-building campus, University Hall was dedicated in 1877. Known as “The Main Building,” it cost \$35,000 to complete and originally housed the Office of the President, a chapel and classrooms. It was remodeled in 1961 to house the Department of History.

7 ELLIOTT HALL OF MUSIC

Turn right after Hovde Hall and walk along the south side of Elliott Hall of Music (M). This regal beauty is the home of WBAA — Indiana's oldest radio station — plus hundreds of world-class events each year. Elliott, which seats 6,005, is Purdue's answer to Radio City Music Hall.

8 CLASS OF 1950 LECTURE HALL

Turn left toward the Psychological Sciences Building (N) and continue south toward the Class of 1950 Lecture Hall, one of Purdue's largest lecture halls. Continue on, and you'll pass the Recitation Building (O) and Beering (P), University (Q), Matthews (R) and Stone (S) halls, which surround Founders Park.

9 JOHN PURDUE STATUE

A bronze statue (T) of Purdue's benefactor and namesake sits on a bench east of University Hall and south of his grave. Purdue requested to be buried on campus. Next, cross Memorial Mall along the Hello Walk (U). Turn right and head south to State Street. Turn left at State Street and continue about two blocks to Grant Street.
