# DINING GUIDE

RITUAL

## DINING TIDBITS

The original Frozen Custard is Indiana's oldest family owned and operated drive-in restaurant.

The Knickerbocker Saloon was established in 1835 as the "Cherry Wood Bar" of the Lahr Luxury Hotel and issued Indiana's first liquor license.

Triple XXX was featured on Guy Fieri's Food Network series Diners, Drive-Ins, and Dives. Their Root Beer has been bottled with real ingredients since 1895!

McCord Candies made 26,473 candy canes and shipped them to 37 states and 4 countries in 2020.

McGraws is housed in a nearly 200-year building that was originally going to be part of a small town called Cincinnatus that was never completed.

Arni's has been a family favorite since 1965. You can find a semi-truck and a box truck in the bar called the "loading dock". Antique toys line the "Toys in the Attic room".

Bruno's has been a favorite since 1955, started by a Swiss immigrant.

Sgt. Preston's is located in the historic John Purdue Block. Built in 1845 with bricks from John Purdue's kiln.

"It's so much fun when my mom and dad take me to all the delicious restaurants around town! I especially love going to Hammer Donuts because I love the sprinkle donuts! They're my favorite!" — Barry Morin (5 years old)

## THE HISTORIC PURDUE MEMORIAL UNION

The Purdue Memorial Union completed a \$47 million, 67,000-square-foot renovation of its ground floor in January 2022. The new layout provides 1,000+ interior and exterior seats, four performance stages and 12 dining venues — one of which is a sports bar co-owned by Purdue alumnus Drew Brees.

The iconic building opened in 1924, with additions like the Union Club Hotel, Purdue's only on-campus hotel, completing the building in 1929. The hotel is managed by White Lodging, one of the nation's largest hotel development and management companies, founded by Purdue alumnus Bruce White.

The Purdue Memorial Union provides 12 dining outlets for students and guests:

- **Aatish:** a Halal contemporary kitchen.
- **Barbecue District:** featuring slow-cooked meats, regional sauces and sides.
- **Boilermaker Market:** a convenience store with food and beverages.
- **Chef Bill Kim's:** Asian-fusion food with dumplings and bowls.
- **Fresh Fare:** fresh flavors with an emphasis on dairy-free and gluten-free options.
- **Latin Inspired by Chef John Manion:** South American flavors and Latin fare from Brazil and Argentina.
- **Zen:** build-your-own Poké and boba teas.
- **Pizza & Parm Shop:** Detroit-style pizza with a caramelized cheese crust and parm sandwiches.
- **Sol Toro:** Mexican flavors with a modern flair.
- **Sushi Boss:** fresh custom sushi.
- **Walk On's Sports Bistreaux:** Louisiana-inspired cuisine with a game-day flair, co-owned by Purdue alumnus Drew Brees.
- **Starbucks:** specialty coffee and pastries.

Snapshots of Purdue's legacy can be found throughout the building, including original outdoor fencing and railroad tracks in Walk-On's bar area, newly exposed walls from the original construction of the Purdue Memorial Union and more.

## CELEBRATING

# PURDUE PRIDE

## TRADITION AND LEGACY

### HAIL, HAIL TO OLD PURDUE!

**With many rich traditions and a global reach, Purdue's flagship West Lafayette campus is home to a community of more than 60,000 students, faculty and staff. Renowned initially for its programs in agriculture and engineering, our academic repertoire now includes 200+ majors and more than 160 graduate programs. In addition, we have nearly 1,000 diverse student organizations.**

**575,000+**

**NETWORK OF ALUMNI  
ACROSS THE GLOBE**

### BOILERMAKER

In the 1890s, a newspaper referred to our winning football team as the "Burly Boiler Makers from Purdue." The nickname stuck.

### 'HAIL PURDUE'

Although University events are the most likely place for Boilermakers to join in a chorus of Purdue's official fight song, it's not uncommon to hear it somewhere on campus every day.

### BOILERMAKER SPECIAL

Purdue's official mascot is the Boilermaker Special locomotive. The first rendition of the Special was presented to the student body on Sept. 11, 1940.

### PURDUE PETE

Pete is our unofficial mascot and is one of the most recognized characters in NCAA sports. Although he's undergone a few makeovers, you'll usually see him with trademark helmet and hammer, ready to cheer the Boilermakers on to victory.

### AN INTERNATIONAL UNIVERSITY

Purdue offers a diverse student body, with students from all over the world. We have over 4,100 undergraduate international students and over 4,700 at the graduate and professional levels.

### OUR UNIVERSAL PLACE IN SPACE

Purdue is called the "Cradle of Astronauts" for good reason. Twenty-seven graduates have become astronauts, including the first and most recent people to walk on the moon. Nearly a third of all U.S. spaceflights have included a Purdue grad. And we have an even broader link to space exploration. Many Purdue professors and students — past and present — are deeply involved in research that advances our reach into space while improving lives on Earth.

# PURDUE LANDMARKS

### DAUCH ALUMNI CENTER

**403 W. Wood St., 765-494-2727**

The Dick and Sandy Dauch Alumni Center, dedicated in 2004, celebrates the history of Purdue and its alumni, serving as the primary center for more than 575,000 living alumni, including members of the Purdue for Life Foundation, Purdue's alumni association. The building's airy atrium houses several exhibits, highlighting University and alumni achievements.

### ELLIOTT HALL OF MUSIC

**712 Third St., 765-494-3920**

Seating 6,005 people, Elliott Hall of Music is one of the nation's largest proscenium theaters. In 1934, Edward C. Elliott, Purdue president, envisioned a state-of-the-art music hall for the University. It was built during the Great Depression and dedicated on May 3-4, 1940. It hosts many Purdue Convocations events such as Broadway musicals; operas; and rock, country and pop groups. It also is home to the Purdue Musical Organizations' Christmas Show.

### FOUNTAINS

#### CLASS OF 1939 WATER SCULPTURE

This walk-through fountain, dedicated in 1989 with a gift from the Class of 1939 and known unofficially as the Engineering Fountain, is surrounded by engineering-related buildings and Hovde Hall in the heart of campus. A 10-foot protective cylinder was added over the nozzles in 2001 for safety.

#### JOHN PURDUE MEMORIAL FOUNTAIN

This fountain, located near University Hall, was a gift on behalf of the Class of 1894. In accordance with his wish, Purdue University benefactor John Purdue was buried near the fountain.

#### STONE LIONS FOUNTAIN

The Class of 1903 donated this fountain, which is located on the Oval Drive near Stanley Coulter Hall. A student-led fundraising effort restored the water connections to the fountain in 2001.

### MCGINLEY FOUNTAIN

Dedicated as part of McGinley Plaza in 2009 near the Burton D. Morgan Center for Entrepreneurship in Discovery Park, this lighted, curved-glass fountain includes iconic campus images: Ross-Ade Stadium, Purdue Bell Tower, Purdue Memorial Union, Hovde Hall, Mackey Arena and Neil Armstrong Hall of Engineering.

### PURDUE BELL TOWER

**325 Centennial Mall Drive**

The Purdue Bell Tower, which celebrated its 25th birthday in October 2020, stands 160 feet tall as an iconic campus reference point for visitors. A computerized carillon marks every half-hour and plays the Purdue fight song and the alma mater at 12:20 p.m., 5 p.m. and 10 p.m. As part of its birthday celebration in fall 2020, a time capsule was placed to recognize the milestone and this pandemic-marked time in campus and world history. That time capsule, and the one buried at its base during the 1995 dedication, will both be opened at its centennial in 2095.

## PURDUE MEMORIAL UNION

**101 N. Grant St., 765-494-8900**

Opened in 1924, the Purdue Memorial Union (PMU) commemorates the Purdue men and women who died in military service. Students of the Class of 1912 originated the "union" idea as a place to plan and conduct activities. Today, it remains a campus hub with dining, meeting rooms, recreation facilities and the newly renovated Union Club Hotel.

## SCHLEMAN HALL OF STUDENT SERVICES

**475 Stadium Mall Drive, 765-494-1776**

Schleman Hall, home to Purdue student services and undergraduate admissions, is named for Helen Schleman, director of the first women's residence hall in 1934 and who served as Dean of Women, 1947-68. She championed women's rights, including terminating a curfew for female students and spearheading a freshman conference program for women.

**UNIVERSITY HALL**

## UNIVERSITY HALL

**672 Oval Drive**

The only building remaining from the original six-building campus, University Hall was dedicated in 1877. Known as "The Main Building," it cost \$35,000 to complete and originally housed the Office of the President, a chapel and classrooms. It was remodeled in 1961 to house the Department of History.

## WILMETH ACTIVE LEARNING CENTER

When the Thomas S. and Harvey D. Wilmeth Active Learning Center (WALC) opened in fall 2017 with 27 active learning classrooms, the Library of Engineering and Science, and a grand reading room, it became a daily academic destination for 5,000 students and faculty. The flexibility of the collaborative, learning and study space is showcased after classes end, when the building becomes one giant study area, open 24/7 to those who swipe

a PUID card. The 164,000-square-foot building is home to a variety of reproductions of historic photos and salvaged artifacts that memorialize the 1924 Heat and Power Plant with its towering smokestack that occupied this location for nearly 90 years. It was a source of power and heat to the Purdue campus and also a laboratory, or "active learning" experience, for engineering students.

## KRACH LEADERSHIP CENTER

Dedicated in 2014, the Krach Leadership Center is a hub to help students succeed inside and outside the classroom. The center houses student resources, including academic help, leadership development programs and student organization meeting space. An Amazon Purdue site also is housed here.
