Welcome to our **PLAYGROUND**

HERE'S THE DEAL: ADVENTURE ISN'T HIDING—IT'S EVERYWHERE.

Around here, even the familiar has a twist. New flavors. Unexpected sounds. Art that makes you stop in your tracks. People who turn strangers into friends faster than you can say “cheers.” This isn’t just a visit, it’s a vibe.

WE'RE ROCKING PURDUE UNIVERSITY—YEP, THAT PURDUE.

Home of world-changing ideas, big brains, and the loudest Boiler Up! you’ve ever heard. From rocket launches to art that stirs the soul—and Big Ten matchups that pack the stands—Purdue isn’t just on the map; it helps redraw it.

THE ENERGY? NONSTOP.

Art trails, gallery nights, live music, street fests. A craft scene that covers breweries and wineries. (Award-winning brews + killer events = yes, please.)

NATURE LOVERS, DON'T WORRY—WE'VE GOT YOU TOO.

Think farm-fresh orchards, wolves in the wild, splash-happy waterparks, championship golf courses and trails for days.

AND THEN THERE'S DOWNTOWN.

Stretching across the Wabash River, it’s got indie boutiques with serious style, coffee shops buzzing with creativity and restaurants serving flavors from every corner of the globe.

SMART. CREATIVE. FUN. UNEXPECTED. THAT'S WHO WE ARE.

So, whether you’re here to study, explore, work, or just play—we’ll make sure you’ve got stories worth telling when you head home.

PURDUE PRIDE

TRADITION AND LEGACY

HAIL, HAIL TO OLD PURDUE!

With many rich traditions and a global reach, Purdue is home to a community of more than 65,000 students, faculty and staff. Renowned initially for programs in agriculture and engineering, Purdue now boasts 200-plus majors and more than 160 graduate programs. In addition, we have nearly 1,000 diverse student organizations across a range of interests and activities.

600,000-PLUS
NETWORK OF ALUMNI
ACROSS THE GLOBE

BOILERMAKER

In the 1890s, a newspaper referred to our winning football team as the “Burly Boiler Makers from Purdue.” The nickname stuck.

‘HAIL PURDUE’

Although university events are the most likely place for Boilermakers to join in a chorus of Purdue’s official fight song, it’s not uncommon to hear it somewhere on campus every day.

BOILERMAKER SPECIAL

Purdue’s official mascot is the Boilermaker Special locomotive, which can be seen all over campus as well as at every home or away football game, no matter how far — it can go up to 75 mph! The first rendition of the Special was presented to the student body Sept. 11, 1940.

PURDUE PETE

Pete is a Purdue Athletics mascot and one of the most recognized characters in NCAA sports. Although he’s undergone a few makeovers, you’ll usually see him with trademark helmet and hammer, ready to cheer the Boilermakers on to victory.

AN INTERNATIONAL UNIVERSITY

Purdue has a diverse student body, with students from 127 countries. We have more than 3,500 undergraduate international students and more than 5,000 at the graduate and professional levels.

OUR UNIVERSAL PLACE IN SPACE

Purdue is called the Cradle of Astronauts for good reason. Thirty graduates (and counting) have become astronauts, including the first and most recent people to walk on the moon. And we have an even broader link to space exploration. Many Purdue professors and students — past and present — are deeply involved in research that advances our reach into space while improving lives on Earth.

ELLIOTT HALL OF MUSIC

712 Third St., 765-494-3920

Seating 6,005 people, Elliott Hall of Music is one of the nation's largest proscenium theaters. In 1934, Purdue President Edward C. Elliott envisioned a state-of-the-art music hall for the university. It was built during the Great Depression and dedicated May 3-4, 1940. The facility hosts many Purdue Convocations events such as Broadway musicals; operas; and rock, country and pop groups. It also is home to the Purdue Musical Organizations' Christmas Show.

FOUNTAINS

CLASS OF 1939 WATER SCULPTURE

This walk-through fountain, dedicated in 1989 with a gift from the Class of 1939 and known unofficially as the Engineering Fountain, is surrounded by engineering buildings and Hovde Hall in the heart of campus. A 10-foot protective cylinder was added over the nozzles in 2001 for safety.

CLASS OF 1894 FOUNTAIN

This fountain, located near University Hall, was a gift on behalf of the Class of 1894. In accordance with his wish, Purdue University benefactor John Purdue was buried near the fountain.

STONE LIONS FOUNTAIN

The Class of 1903 donated this fountain, which is located on Oval Drive near Stanley Coulter Hall. A student-led fundraising effort restored the water connections to the fountain in 2001.

MCGINLEY FOUNTAIN

Dedicated as part of McGinley Plaza in 2009 near the Burton D. Morgan Center for Entrepreneurship in Discovery Park District at Purdue, this lighted, curved-glass fountain includes iconic campus images: Ross-Ade Stadium, the Purdue Bell Tower, Purdue Memorial Union, Hovde Hall, Mackey Arena and Neil Armstrong Hall of Engineering.

PURDUE BELL TOWER

325 Centennial Mall Drive

The Purdue Bell Tower stands 160 feet tall as an iconic campus reference point for visitors. A computerized carillon marks every half hour and plays the Purdue fight song and alma mater at 12:20 p.m., 5 p.m. and 10 p.m. As part of the bell tower's 25th birthday celebration in fall 2020, a time capsule was placed at its base to recognize the milestone and time in campus and world history. The 2020 time capsule and the one buried during the 1995 dedication will both be opened at the bell tower's centennial in 2095.

WILMETH ACTIVE LEARNING CENTER

340 Centennial Mall Drive

When the Thomas S. and Harvey D. Wilmeth Active Learning Center opened in fall 2017 with 27 active learning classrooms, the Library of Engineering and Science, and a grand reading room, it became a daily academic destination for 5,000 students and faculty. The flexibility of the collaborative learning and study space is showcased after classes end, when the building becomes one giant study area, open 24/7 to those who swipe a PUID card.

UNIVERSITY HALL

672 Oval Drive

Dedicated in 1877, University Hall is the oldest building on Purdue’s campus and the last remaining of its original six.

Once home to the president’s office, a chapel and the first library at Purdue, the building has recently undergone a major restoration.
