THE HISTORIC PURDUE MEMORIAL UNION

The Purdue Memorial Union opened in 1924 as a permanent memorial to the Boilermakers who served in defense of their country and as a cultural and social hub for Boilermakers and the surrounding community. It provides 1,000-plus interior and exterior seats, four performance stages and 15 dining venues — one of which is a sports bar co-owned by Purdue alumnus Drew Brees.

The Union Club Hotel is the largest hotel in the Greater Lafayette area and is managed by White Lodging, one of the nation's largest hotel development and management companies, founded by Purdue alumnus Bruce White.

The Purdue Memorial Union provides 15 dining outlets for students and guests:

- **8Eleven Modern Bistro:** farm-fresh, seasonal ingredients with a culinary nod to beloved bistro classics (in the Union Club Hotel)
- **Aatish:** a halal contemporary kitchen
- **BBQ District:** featuring slow-cooked meats, regional sauces and sides
- **Boilermaker Market:** a convenience store with food and beverages
- **Boiler Up Bar:** farm-inspired cocktails, bourbons and whiskeys (in the Union Club Hotel)
- **Burger 101:** classic American burgers and fries
- **Chef Bill Kim's:** Asian-fusion food with dumplings and bowls
- **Fresh Fare:** fresh flavors with an emphasis on dairy-free and gluten-free options
- **Leaps Coffee and Artisan Pastries:** regional coffee purveyors, artisan teas and made-in-house pastries (in the Union Club Hotel)
- **Pizza & Parm Shop:** Detroit-style pizza with a caramelized cheese crust and parm sandwiches
- **Sol Toro:** Mexican flavors with a modern flair
- **Starbucks:** specialty coffee and pastries
- **Sushi Boss:** fresh custom sushi
- **Walk-On's Sports Bistreaux:** Louisiana-inspired cuisine with a game-day flair, co-owned by Purdue alumnus Drew Brees
- **Zen:** build-your-own Poké and boba teas

Artifacts reflecting Purdue's legacy can be found throughout the building, including original outdoor fencing and railroad tracks in the Walk-On's bar area, original stained-glass windows and more.

CELEBRATING

PURDUE PRIDE

TRADITION AND LEGACY

HAIL, HAIL TO OLD PURDUE!

With many rich traditions and a global reach, Purdue's flagship West Lafayette campus is home to a community of more than 60,000 students, faculty and staff. Renowned initially for programs in agriculture and engineering, Purdue now boasts 200-plus majors and more than 160 graduate programs. In addition, we have nearly 1,000 diverse student organizations across a range of interests and activities.

**600,000-PLUS
NETWORK OF ALUMNI
ACROSS THE GLOBE**

BOILERMAKER

In the 1890s, a newspaper referred to our winning football team as the "Burly Boiler Makers from Purdue." The nickname stuck.

'HAIL PURDUE!'

Although university events are the most likely place for Boilermakers to join in a chorus of Purdue's official fight song, it's not uncommon to hear it somewhere on campus every day.

BOILERMAKER SPECIAL

Purdue's official mascot is the Boilermaker Special locomotive, which can be seen all over campus as well as at every home or away football game, no matter how far — it can go up to 75 mph! The first rendition of the Special was presented to the student body Sept. 11, 1940.

PURDUE PETE

Pete is our unofficial mascot and one of the most recognized characters in NCAA sports. Although he's undergone a few makeovers, you'll usually see him with trademark helmet and hammer, ready to cheer the Boilermakers on to victory.

AN INTERNATIONAL UNIVERSITY

Purdue has a diverse student body, with students from 127 countries. We have more than 4,000 undergraduate international students and more than 5,300 at the graduate and professional levels.

OUR UNIVERSAL PLACE IN SPACE

Purdue is called the Cradle of Astronauts for good reason. Twenty-seven graduates have become astronauts, including the first and most recent people to walk on the moon. And we have an even broader link to space exploration. Many Purdue professors and students — past and present — are deeply involved in research that advances our reach into space while improving lives on Earth.

DAUCH ALUMNI CENTER

403 W. Wood St., 765-494-2727

The Dick and Sandy Dauch Alumni Center, dedicated in 2004, is the home of the Purdue for Life Foundation. The building celebrates the history of Purdue and its graduates, including more than 600,000 living alumni. The airy atrium houses several exhibits, highlighting university and alumni achievements.

ELLIOTT HALL OF MUSIC

712 Third St., 765-494-3920

Seating 6,005 people, Elliott Hall of Music is one of the nation's largest proscenium theaters. In 1934 Purdue President Edward C. Elliott envisioned a state-of-the-art music hall for the university. It was built during the Great Depression and dedicated May 3-4, 1940. The facility hosts many Purdue Convocations events such as Broadway musicals; operas; and rock, country and pop groups. It also is home to the Purdue Musical Organizations' Christmas Show.

FOUNTAINS

CLASS OF 1939 WATER SCULPTURE

This walk-through fountain, dedicated in 1989 with a gift from the Class of 1939 and known unofficially as the Engineering Fountain, is surrounded by engineering buildings and Hovde Hall in the heart of campus. A 10-foot protective cylinder was added over the nozzles in 2001 for safety.

CLASS OF 1894 FOUNTAIN

This fountain, located near University Hall, was a gift on behalf of the Class of 1894. In accordance with his wish, Purdue University benefactor John Purdue was buried near the fountain.

STONE LIONS FOUNTAIN

The Class of 1903 donated this fountain, which is located on Oval Drive near Stanley Coulter Hall. A student-led fundraising effort restored the water connections to the fountain in 2001.

MCGINLEY FOUNTAIN

Dedicated as part of McGinley Plaza in 2009 near the Burton D. Morgan Center for Entrepreneurship in Discovery Park District at Purdue, this lighted, curved-glass fountain includes iconic campus images: Ross-Ade Stadium, the Purdue Bell Tower, Purdue Memorial Union, Hovde Hall, Mackey Arena and Neil Armstrong Hall of Engineering.

PURDUE BELL TOWER

325 Centennial Mall Drive

The Purdue Bell Tower stands 160 feet tall as an iconic campus reference point for visitors. A computerized carillon marks every half-hour and plays the Purdue fight song and alma mater at 12:20 p.m., 5 p.m. and 10 p.m. As part of the bell tower's 25th birthday celebration in fall 2020, a time capsule was placed at its base to recognize the milestone and time in campus and world history. The 2020 time capsule, and the one buried during the 1995 dedication, will both be opened at the bell tower's centennial in 2095.

The facility serves as a dedicated meeting place for conferences, student organization meetings and departmental activities, and it houses the Boilermaker Station Welcome Center and Purdue Team Store.

CÓRDOVA RECREATIONAL SPORTS CENTER

**355 N. Martin Jischke Drive,
765-494-3109**

The France A. Córdoba Recreational Sports Center, known as the Co-Rec, features five floors of ultramodern fitness and wellness resources. After a \$98 million renovation concluded in 2012, the facility now boasts 355,000 square feet.

CÓRDOVA RECREATIONAL SPORTS CENTER

PURDUE MEMORIAL UNION

101 N. Grant St., 765-494-8900

Opened in 1924, the Purdue Memorial Union is dedicated to the Purdue men and women who died in military service. Students of the Class of 1912 originated the "union" idea as a place to plan and conduct activities. The facility remains a campus hub, featuring dining, meeting rooms, recreation facilities and the Union Club Hotel.

WILMETH ACTIVE LEARNING CENTER

340 Centennial Mall Drive

When the Thomas S. and Harvey D. Wilmeth Active Learning Center opened in fall 2017 with 27 active learning classrooms, the Library of Engineering and Science, and a grand reading room, it became a daily academic destination for 5,000 students and faculty. The flexibility of the collaborative, learning and study space is showcased after classes end, when the building becomes one giant study area, open 24/7 to those who swipe a PUID card.

UNIVERSITY HALL

UNIVERSITY HALL

672 Oval Drive

The only building remaining from Purdue's original six-building campus, University Hall was dedicated in 1877. It is the "largest classroom on campus" for more than 1,000 students in the School of Aviation and Transportation Technology.
