Greetings and Welcome to Lafayette, Indiana!

On behalf of the City Council and over 750 city employees, I want to extend a warm welcome to our great city!

To give you a little background, Lafayette is the county seat of Tippecanoe County and was founded in 1825 by river trader William Digby. In 2025, we will celebrate our historical bicentennial! Lafayette is named for General Marquis de Lafayette, a French soldier during the American Revolutionary War. Today, it is home to over 72,000 people and encompasses 29 square miles. Lafayette has developed into a thriving and growing metropolitan area based on its continued recruitment and success of national and international businesses. With Purdue University nearby known for engineering, research, and agriculture, Lafayette has attracted a diverse array of Fortune 500 companies including GE Aviation, Caterpillar, Wabash National, and Subaru, just to name a few.

As a flourishing, progressive manufacturing community with state-of-the-art infrastructure for future growth, Lafayette has enhanced its economy and quality of life initiatives to become one of the premier cities in the Midwest. We boast outstanding parks and recreation amenities, cultural arts and entertainment venues, a thriving historic downtown, affordable housing, best-in-class education, top medical facilities, and attractive business and employment opportunities.

In recent years, Lafayette has received national rankings by SmartAsset and the Wall Street Journal for the *Top Five Most Livable US Cities*, *Best Place for Career Opportunities in the US*, *Top Five Great Places for Remote Workers to Live*, *#1 Emerging Housing Markets in the US*, and *Top Housing Market in the US*. Forbes ranked Lafayette for five consecutive years in the top ten as one of the *Best Small Places for Business and Careers*. In 2021, the Indiana Chamber of Commerce named Greater Lafayette the *Community of the Year*.

To learn more about Lafayette, visit www.lafayette.in.gov. Stay informed, and get a glimpse of the projects, people and places that make Lafayette so special by following us on social media.

If I can be of any assistance, please let me know. Again, welcome to Lafayette!

Sincerely,

Tony Roswarski

Bikes on the Bus

All CityBus buses are equipped with bike racks. Ride your bike to the bus stop and then take it along for easy access to your destination.

How to Ride CityBus

Plan your trip

Arrive at your bus stop about five minutes before the scheduled time. Buses will stop only at designated bus stops along the route.

Be prepared with the exact cash fare (driver does not make change), token or pass, or have your mobile ticket or pass ready on your mobile device.

Catch your bus

As the bus approaches, signal the driver to pick you up by holding up your arm high in the air. Check the sign at the front of the bus for the route/destination. Tip: When flagging a bus at night, use a light source to ensure the driver can see you.

Pay your fare as you board

Cash or Tokens: Place dollar bills, coins or tokens in the farebox.

Passes: Swipe passes in the farebox.

Mobile Passes: Show driver your mobile pass.

If you need to transfer to another bus to complete your one-way trip, ask the driver for a transfer ticket when you pay your fare. Transfers are valid for a limited time, and are not valid for a return trip. Transfers are automatically embedded in passes and mobile fares.

Signal your stop

Signal the driver one block before your stop by pulling the cord. This will ring a bell and light the "stop requested" signal for the driver. Once you're off, do not cross in front of the bus.
