# SQUAM LAKES NATURAL SCIENCE CENTER

## GROUP TOUR INFORMATION - 2019

### DISCOVER SQUAM CRUISE

**Cost: \$22/person - Complimentary driver and tour operator. Allow 2 hours**  
**Available: mid-May through mid-October**

- ◆ Discover Squam Lakes natural and cultural history
- ◆ Observe Loons, Bald Eagles, and other wildlife in their natural habitat.
- ◆ Enjoy Squam Lake's majestic beauty and unique features including the dazzling array of colors during autumn.
- ◆ Four canopied pontoon boats with capacities ranging from 20 to 25 people depart from the dock on Route 3 at the bridge, next to Walter's Basin Restaurant in downtown Holderness.
- ◆ Binoculars are available for wildlife viewing at no additional cost.

### LIVE ANIMAL EXHIBIT

- ◆ Observe live, native New Hampshire wildlife - red and gray foxes, coyote, bobcats, mountain lions, white-tailed deer, river otters, black bears, bald eagles, and more.
- ◆ Animal trail is a 3/4 mile long ADA accessible gravel path through the woods.
- ◆ Breath taking views of open meadows, mature forests, and marsh boardwalks

**Cost: \$14/person - Complimentary driver and tour operator. Allow 1.5 hours**  
**Available May 1-November 1**

### DINNER AND SUNSET CRUISE

Start your evening with a delicious fixed price dinner at Walter's Basin Restaurant, before a 90-minute early evening cruise on Squam Lake. This guided tour aboard a canopied pontoon boat showcases the beauty of Squam Lake including its natural history, wildlife and people.

**Cost: \$55/person. Complimentary driver and tour operator.**  
**Available July and August.**  
**Allow 3 hours.**

### NATURAL ENCOUNTERS

These live Animal Programs, presented by a Science Center Naturalist, showcase native New Hampshire animals up close. Capacity 80 persons. Select from: Marvelous Mammals, Animals with Bad Reputations, Owls of New Hampshire, or New Hampshire Wildlife.

**Cost: \$18/person. Complimentary driver and tour operator. Allow 1.5 hours. Available year round**
