Welcome to the Atrium Events Venue at Seven Birches Winery. Our newly renovated space, connected to the Atrium Wine Bar at the Lincoln Village Shops in Lincoln, NH is a wonderful venue to host your next private group event. The White Mountains of New Hampshire play host to all sorts of groups throughout the year, ranging from weddings and social events to corporate meetings and conferences. There's really no place like it to visit, meet, socialize, and play. We'd love to be your host.

Rustic charm meets modern convenience, in a renovated mill building dating back to the early 20th century. The decor is consistent with our wine bar and tasting rooms, reminding you that you're in a mountain winery setting. The location is perfect, only steps away from the main winery production facility, the vineyard, and the extraordinary RiverWalk Resort at Loon Mountain that rises above it all.
