

## NH's Longest Scenic **GONDOLA SKYRIDE**

## **JAW-DROPPING VIEWS**

Climb aboard New Hampshire's longest scenic Gondola Skyride! Soar to the 2,733-foot summit of Loon Peak on the four-person gondola, where you'll enjoy fresh mountain air, jaw-dropping views and a variety of summit adventures. Those who visit Loon enjoy top-to-bottom mountain adventures, with all-day access to activities. You can zipline over the pemi, play a round of mountaintop disc golf, and enjoy a cross country bike ride through our scenic trails. Take in the full summit experience by climbing an observation tower, hiking an interpretive nature trail, and exploring a maze of cool glacial caves. After working up an appetite, enjoy lunch and panoramic views at the Summit Café.

## **Premiere Location**

Located deep in the heart of the White Mountain National Forest, Loon Mountain is surrounded by scenic wonders. Loon Mountain sits on the western end of the Kancamagus Highway, a federally-designated "Scenic Byway" that is one of the world's premiere fall foliage drives. Loon is conveniently located 3 miles from I-93 in Lincoln, New Hampshire, just 2 hours north of Boston, MA.
