LINCOLN, NH WINNIPESAUKEE, NH LACONIA, NH BLUE RIDGE, GA GETTYSBURG, PA

Embark on a journey through history and natural beauty with Patriot Rail Excursions.

Enjoy memorable rail adventures on the Blue Ridge Scenic Railway, Granite State Railway, Winnepesaukee Scenic Railway and the Gettysburg Railway. For full excursion details, visit PatriotRailExcursions.com.

Granite State Railway – Lincoln, New Hampshire

Departing from Lincoln Station, this railway travels along the banks of the Pemigewasset River through a natural woody setting. Guests ride in restored vintage coaches a historic rail line. The railway operates from late May through October, and again Thanksgiving through mid-December.

The Winnepesaukee Scenic Railroad – Meredith, New Hampshire

Departing from the village of Meredith, at the northern end of Lake Winnepesaukee, with a ticket booth on the historic Boardwalk at Weirs Beach, this railway runs along the western shore of New Hampshire's largest lake. Operating from May until November, the route follows the historical Boston, Concord & Montreal rail line dating back to 1848. Riders will enjoy panoramic lakeside views from Meredith to Weirs Beach and Laconia throughout the journey.

Additional Nearby Experience: Enjoy a five-mile round-trip Rail Bike ride along the shores of Lake Winnisquam, New Hampshire's fourth-largest lake.

The Blue Ridge Scenic Railway – Blue Ridge, Georgia

Departing from the historic 1905 depot in downtown Blue Ridge, this railway winds throughout the Chattahoochee National Forest. Blue Ridge, this charming mountain village is known for its pleasant, unique shopping experiences, friendly locals, and old-time atmosphere. The railway operates from March through December; riders can enjoy the scenery aboard a variety of heritage railcar types.

Additional Nearby Experience: Guests can also bike the rails through Blue Ridge on an exciting journey aboard custom-built, four-person electric Railbikes. This 5.7-mile leisure ride offers breathtaking views through the foothills of North Georgia and is suitable for all ages.

The Gettysburg Railway – Gettysburg, Pennsylvania

Departing from the historical 1884 depot in downtown Gettysburg, this railway offers a cultural experience that highlights the historic significance of the rail line through Adams County. Operating from January through December, guests enjoy first-class rides near the battlefield with views of the Enteral Light Peace Memorial and surrounding countryside. The journey includes insights into historical landmarks and modern railroad operations aboard fully renovated 1950s-era passenger railcars.

Additional: A variety of themed experiences are available throughout the year.
