Conway Scenic Railroad, North Conway Village, NH (603-356-5251) All trains depart from North Conway station, which has a wheelchair lift. The Coach passenger cars can accommodate up to 25" wide. First Class and dining cars cannot accommodate wheelchairs. Due to their weight and length, power chairs cannot be accommodated in any of the cars. There is a permanent ADA-compliant ramp at Crawford Station. The North Conway station can be accessed by ramps, and the station's restrooms both have over-sized stalls and one handrail. (updated 7/15/2017)

Cranmore Mountain Adventure Park, North Conway Village, NH (603-356-5544) Many attractions are not fully accessible, but we will do our best to accommodate guests. Please call ahead with questions or visit the ticket office.

Flume Gorge, Franconia Notch, NH (603-745-8391) The trails and the Flume Gorge are very difficult, with a number of stairs, narrow walkways, roots and rocks. The Gorge is not suitable for wheelchairs or mobility impaired visitors. However, the Visitor Center, video program about Franconia Notch, gift shop, displays and cafeteria are all accessible.

Hobo Railroad, Lincoln, NH (603-745-2135) There is a wheelchair lift at the Hobo Junction Station and the train can accommodate wheelchairs up to a maximum width of 24 inches as well as guests using walkers.

Loon Mountain Resort, Lincoln, NH (603-745-8111) The Gondola Sky Ride holds four people. Wheelchairs are sent up one gondola in advance, so they are available immediately at the top. The base area is accessible. There is limited accessibility at the top. Additional activities such as the Mountain Bike Park, the Zipline, and Disc Golf are not handicap accessible.

Lost River Gorge & Boulder Caves, North Woodstock, NH (603-745-8031) The main grounds, visitor center and gift shop are accessible, but there are gravel paths leading to these areas which may be a challenge for some wheelchairs. The Gorge and boardwalk trail are not suitable for chairs or mobility impaired visitors due to uneven natural terrain, boulder caves, and stairways (over 1,000 stairs in total.)

Mt. Washington Auto Road, Pinkham Notch, Gorham, NH (603-466-3988) The Mt. Washington Auto Road base buildings including the Red Barn Museum are fully accessible. Currently the Guided Tours are not fully accessible. Check in advance to see if your own van is within the safety guide lines to drive yourself up. (updated 6/30/2017)

Mount Washington Cog Railway, Marshfield Station near Bretton Woods, NH (603-278-5404) Marshfield Station and all restrooms are fully accessible. Our coaches are historic in design, with narrow door openings. However, every effort is made to accommodate special needs. We will transport your foldable wheelchair to the summit of Mount Washington, or we can provide our own. Guests are required to transfer from their wheelchair– by themselves or with assistance from their party– to their assigned seat on the coach. We do offer seats toward the boarding end of our coaches if space is available. The summit is not fully accessible.

Polar Caves Park, Rumney, NH (603-536-1888) The Main Lodge, Gift Shop, Wildlife area, Polar Mining Expedition, and Restrooms are accessible, but the Caves and the boardwalks leading through them are not.

Santa's Village, Jefferson, NH (603-586-4445) The grounds are paved and accessible by wheelchair, following the natural slope of the terrain. Wheelchairs are loaned out free of charge on a first-come first-serve basis. Motorized scooters may be rented for a fee by advance reservation.

Story Land, Glen, NH (603-383-4186)

- Wheelchairs: Restrooms, drinking fountains, and First Aid stations are accessible to guests using wheelchairs.
