A UNIQUE LOOK AT NEW ENGLAND HISTORY.

The fifth-generation Faddens still own and operate this authentic 1800's General Store, complete with squeaky floors and the original counters and display cases. You'll find all manner of goods here; maple products, specialty foods, NH-made items and souvenirs, as well as a museum filled with maple syrup-making artifacts, vintage photographs, antique store paraphernalia, and other local memorabilia.

THE SUGARHOUSE boasts five-time winner **Best Maple Syrup in New Hampshire** and one-time winner **Best Maple Syrup in North America!** Learn how maple syrup was made in the past and how sap harvested today—from our own sugar orchard containing thousands of maple trees—is transformed into one of the world's sweetest and most sought-after delicacies. At the tour's conclusion, guests are offered a sweet sample of our famous maple syrup.

PEG'S RESTAURANT If syrup-making whets your appetite, you can stroll next door for some pancakes or lunch where *"you're never too early for lunch or late for breakfast."* Owned and operated by the Fadden family and located adjacent to the General Store, Peg's has been serving the traveling public for decades. Known for fast, friendly service and hearty New England fare, Peg's offers ample seating and restroom facilities—capable of accommodating motor coach visits.
