ACTIVITIES

At our resort, the fun never stops. We embrace every season at our lakefront playground. During summer, swim out to the floating dock, jet off on an exhilarating boat ride, or explore the waterways on paddle boards, kayaks, canoes, and aqua cycles. In the fall, hike through forests bursting with autumnal colors or breathe in the alpine air during mountaintop yoga. The fun accelerates in the winter when you can slip on skates to glide around the ice rink or explore a winter wonderland on snowshoes. And in the spring, embark on a refreshing hike or bike ride past flowers in bloom.

With a prime spot along the shores of the lake, the [EKAL Activity Center](#) is the heart of our resort. We've thoughtfully curated daily and all-season activities focusing on adventure, leisure, nature, and wellness. Need some direction? Let us lead the way with customized or group tours.
