New Hampshire's premier attraction — since 1869! The Mount Washington Cog Railway is one of the world's great rail adventures, and an exhilarating journey through history, technology, and nature. Heralded as the first-ever mountain-climbing cog railway, trains powered by vintage steam and modern biodiesel locomotives make their dramatic ascent through three climate zones to the top of the highest peak in Northeastern United States.

## WHITE MOUNTAINS ATTRACTIONS GUIDE

Make the White Mountains Visitor Center your first stop to get the most out of your time in the region. Our friendly staff is ready with free brochures, maps and tips on all the best things to see and do. Learn about the area through various displays and audio visual presentations. Take a few minutes to browse our Gift Shop and check out the White Mountains National Forest Information Desk and Interpretive Center located in our authentic post and beam barn. You'll learn about everything from area wildlife to building stone walls. The Visitor Center is open 7 days a week, year-round, from 8:30am - 5pm.
