Description of the Coverage:

Visit Williamsburg has the opportunity to partner with Virginia Travel Corporation (VTC) in presenting international media for the destination. Jacqui Agate, North American travel editor for [Wanderlust Magazine](#), the number one British travel magazine, is visiting Virginia to produce an article on the Historic Triangle and its importance in American (and British) history, leading up to the 250th anniversary.

A key focus for Wanderlust is amplifying the stories and voices of Indigenous Peoples, African Americans, and minority groups. They are interested in the ways that historic attractions are working to tell holistic and inclusive stories.

NOTE ON LODGING, RESTAURANTS, and ATTRACTIONS: Visit Williamsburg chooses particular lodging, restaurants, and attractions for specific reasons. Each familiarization tour (FAM) is different, and we ask that our partners be sensitive to the criteria that led us to these requests. While each FAM tour content has a different angle, there may not be coverage of the lodging facility if it is not in alignment with the story or blog post. If you have any suggestions in line with the criteria, please contact us with your ideas.
