

# THE EXPLORE SAFELY GO-TO GUIDE

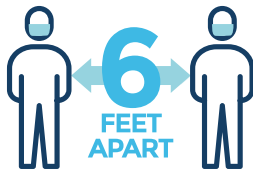

**Bring a face covering to wear in public.**

**Wash your hands often. Use hand sanitizer when soap and water are not available.**

**Looking to dine in? Reservations are recommended.**

**Keep 6 feet between you and anyone outside of your travel group.**

**If you're sick, stay home.  
We look forward to seeing you soon.**

While travel this year will look a little different, one thing's for sure—  
with a little planning ahead, you can still have a visit to remember.
