

Information

This Walk and Cycle leaflet for Wirral covers the south eastern quarter and is one of a series of four leaflets each consisting of three walks and one cycle route.

Information for wheelchair users

Wheelchair users and people with access difficulties should note that most of the Country Parks listed below have suitable paths and facilities. The routes on this leaflet are primarily rural paths and access can be difficult in places, albeit some 'Access for all' routes are currently being planned.

These routes make use of the Wirral Public Rights Of Way (PROW) network. The newly updated Definitive Map and Statement is now available on the Council website.

There are also plans to produce a Public Access Routes map which will give information of all PROW's Permission Routes and off road cycle tracks.

When using multi purpose routes, please give consideration to all users. Please be considerate to others and read the Countryside Code and Cycle Safety information on this leaflet.

On behalf of Wirral Council may I wish you a pleasant and enjoyable time walking and cycling the Wirral Countryside. Why not walk or cycle the Wirral Circular Trail visit www.visitwirral.com for more details.
