*The best places are
the ones that surprise you.*

WE HEAR THAT A LOT.

Among the tall pines, you'll find beauty.
Entertainment. Excitement. Tranquility.

Ranked the #1 city in America to live,

they want to return to often. A place of
ideal paradox. Lively, yet serene. Urban, yet
spacious. Refined, yet casual.

Go from a quiet afternoon of kayaking to
a fist-pumping night of live outdoor music,
or from a walk through the woods to
exploring the local shops. Here, you'll find
a destination perfectly tailored for any kind
of adventure.

Events

CERTAIN TIMES OF YEAR CALL FOR
GRAND CELEBRATIONS.

From light-up-the-sky, jubilant summer festivals to kicking off the holiday season in a big way, here are the biggest parties to plan your visit around:

SPRING

Taking place each April, **The Woodlands Waterway Arts Festival** is one of The Woodlands' most popular annual events and includes original artwork by over 200 artists, live music, performing arts, family-friendly activities and food stations. Spring is also the perfect time to enjoy a show at one of the many **free concerts series** held around town (see page 9 for more info). If you're a sports enthusiast, make plans to participate in **The Woodlands Marathon**, held every March.

SUMMER

Celebrate military servicemen and women with the annual **Memorial Day Celebration** held at Town Green Park. The festival kicks off with the National Anthem, and continues into the evening with live music, children's activities and a fireworks display. Make Independence Day a party to remember with the annual **Red, Hot & Blue Festival**, featuring a full day of events and multiple fireworks shows in and around town.

FALL

Enjoy family fun at The Woodlands' annual **Labor Day Celebration** at Waterway Square, which includes children's activities, live music and a fireworks show. Fall is also a great time to catch a concert or performing arts show at The Cynthia Woods Mitchell Pavilion. Each October, enjoy **Hocus Pocus Pops** featuring the Houston Symphony with an evening of Halloween-themed music. Kids can even come in costume!

WINTER

Outdoors & Recreation

STEP OUTSIDE, AND IMMERSE YOURSELF IN
NATURAL BEAUTY AND ADVENTURE.

The Woodlands was uniquely built as a metropolitan area surrounded by thousands of acres of protected pine forests and two scenic bodies of water. Whether you want to lay in the shade of a tall pine or get active with some outdoor sports, a visit here is far from complete without experiencing the outdoor attractions and beautifully preserved Texas nature.

WATER RECREATION

One of the more adventurous ways to explore during your stay is by water. **Riva Row Boat House**, along The Woodlands Waterway, and **Lakes Edge Boat House**, at Hughes Landing, both offer single or tandem kayaks and stand-up paddleboards for rent so you can spend an afternoon gliding leisurely around **Lake Woodlands**. You can also rent a swan boat, water bikes and more from Riva Row for a fun vessel to explore **The Waterway**.

THE WOODLANDS WATERWAY

The Woodlands Waterway winds throughout the Town Center area with scenic walkways connecting Town Green Park and The Cynthia Woods Mitchell Pavilion with Waterway Square, and The Woodlands Mall. There are public art installations, water features, waterside eateries and green spaces. **The Woodlands Waterway Trolley** also provides free transportation with several stops along The Waterway.

TEXAS TREEVENTURES

Climb to new heights at **Texas TreeVentures**, a gravity-defying ropes obstacle course through the treetops. This unique course is both mentally and physically challenging, offering a great activity for families, friends and groups to enjoy as they attempt to traverse a series of poles, cables and other elements. Ground school & gear-up are included, along with nearly three hours of climbing time.

GEORGE MITCHELL NATURE PRESERVE

The 1,700-acre **George Mitchell Nature Preserve** includes a two-mile hiking trail loop and three miles of bike trails. The Woodlands is on two migratory bird flyways, Central and Mississippi, so be sure to keep an eye peeled for migrating birds and other wildlife. The preserve branches out to Spring Creek Greenway, which encompasses more than 7,000 acres of protected forests.
