*The best places are
the ones that surprise you.*

WE HEAR THAT A LOT.

AMONG THE TALL PINES, YOU'LL
FIND BEAUTY. ENTERTAINMENT.
EXCITEMENT. TRANQUILITY.

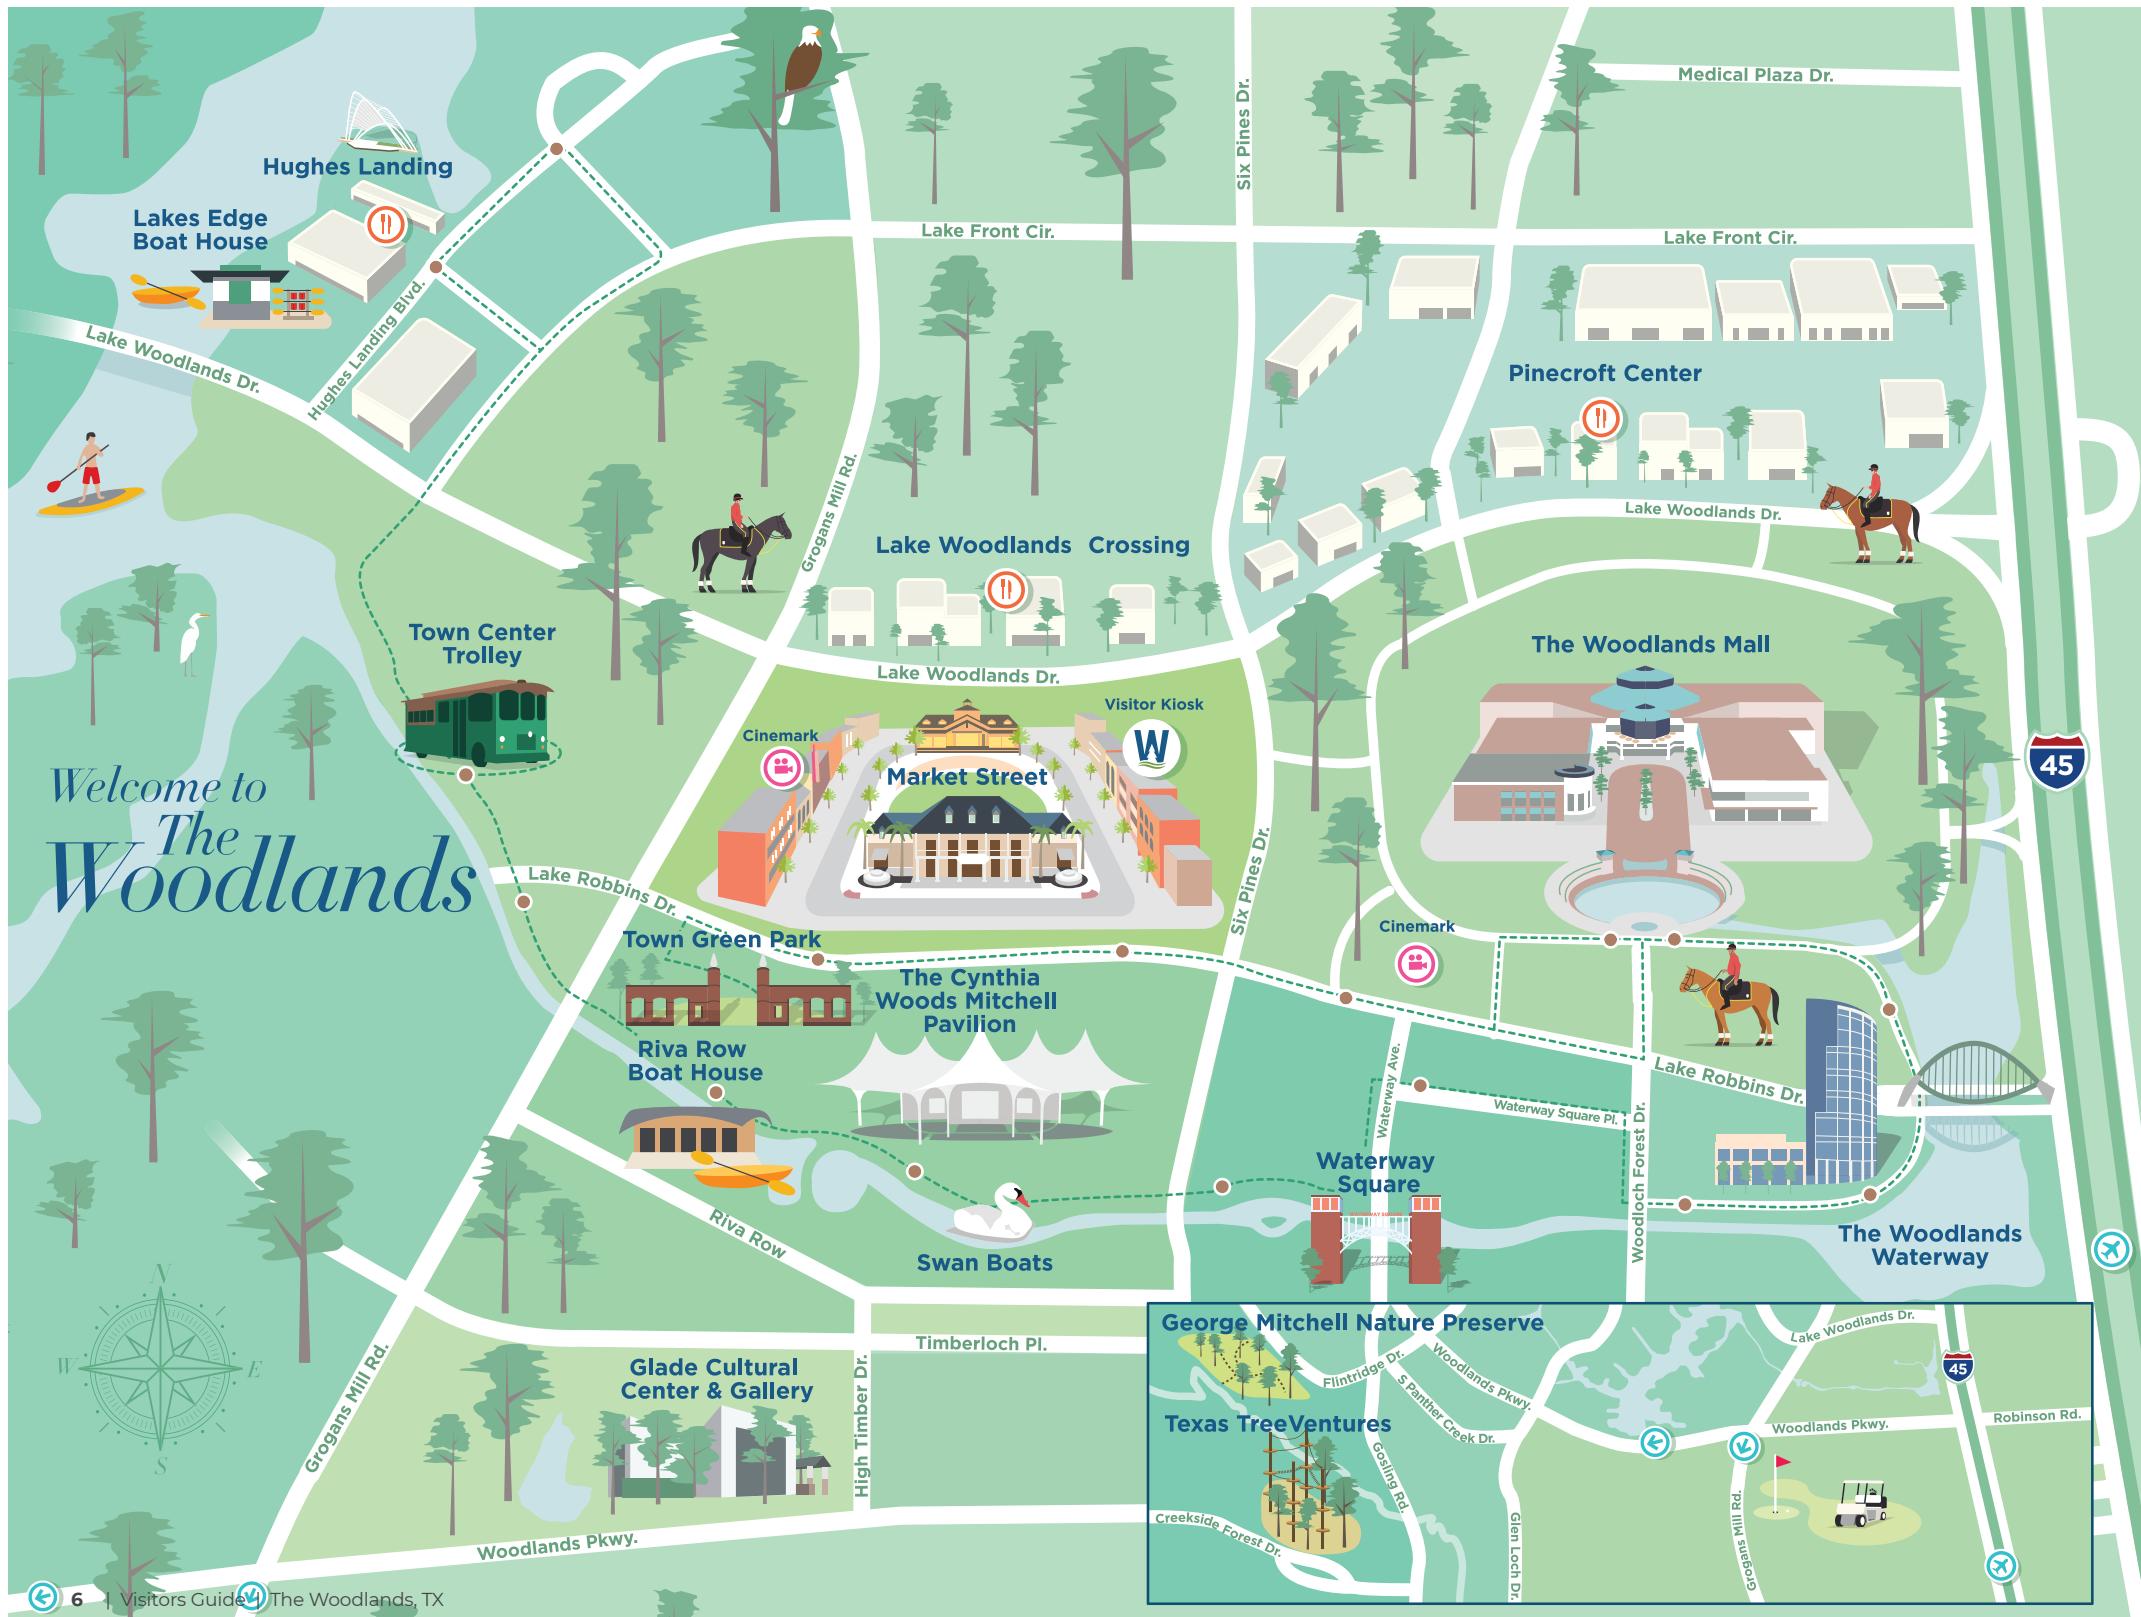

For the same reasons many choose to
make their homes here, visitors find charm
and appeal in spending a day, a weekend
or a week in The Woodlands. A place of
ideal paradox. Lively, yet serene. Urban, yet
spacious. Refined, yet casual.

Go from a quiet afternoon of kayaking to a
fist-pumping night of live outdoor music, or
from a walk through the woods to exploring
the local shops. Here, you'll find a destination
perfectly tailored for any kind of adventure.

WELCOME TO THE WOODLANDS.

Welcome to The Woodlands

Outdoors & Nature

YOU DON'T HAVE TO STEP FAR OUTSIDE YOUR COMFORT ZONE. JUST STEP OUTSIDE, AND IMMERSE YOURSELF IN NATURAL BEAUTY AND ADVENTURE.

The Woodlands was uniquely built as a metropolitan area surrounded by thousands of acres of protected pine forests and two scenic bodies of water. Whether you want to lay in the shade of a tall pine or get active with some outdoor sports, a visit here is far from complete without experiencing the outdoor attractions and beautifully preserved Texas nature.

ON THE WATER

One of the more adventurous ways to explore during your stay is by water. Head to **Riva Row Boat House** or **Lakes Edge Boat House** to rent a single or tandem kayak or stand-up paddleboard, and spend an afternoon gliding leisurely around Lake Woodlands. Or, rent a swan pedal boat from Riva Row for a fun vessel to explore The Waterway. There are still plenty of ways to enjoy water views in The Woodlands without making a splash. **The Waterway** is a destination

in itself and a great area to explore by foot. Scenic walkways connect Town Green Park and The Cynthia Woods Mitchell Pavilion with The Woodlands Marriott Hotel & Convention Center, Waterway Square, The Westin Hotel, and The Woodlands Mall. There are public art installations, water features, waterside eateries and green spaces. The Waterway is a pedestrian-friendly area that is also popular with runners. A free public trolley also provides expedited service with several stops along The Waterway district.

IN THE TREES

Aptly named The Woodlands for its development in and around 28,000 tree-filled acres, it's easy to find a nature-escape feel if you're looking for it. Explore over 220 miles of paved hike and bike trails that weave in and around the community, or test out the off-road trails in the **George Mitchell Nature Preserve**, which branches out to Spring Creek Greenway. Keep the adventure theme going with a visit to **Texas TreeVentures**, a gravity-defying ropes obstacle course through the treetops.

“
*Let's stay
another day.*”

ON THE FAIRWAY

Home to over 300 holes of golf on pristine courses, some of which are designed by PGA champions, you'll find the perfect setting to spend a day hitting the links. Two of the most popular courses, **Panther Trail** and **The Oaks**, are conveniently located within the grounds of The Woodlands Resort. **The Woodlands Country Club** also offers three fully private golf courses of their own.

AROUND TOWN

Even in the most urban parts of The Woodlands, you'll find lush parks and green spaces ready to explore and stretch out in. **Northshore Park** along Lake Woodlands has a playground, picnic spots, large field spaces and volleyball courts. Do as the locals do and spread out a blanket on the grass for one of their free concerts in the spring or fall. Northshore Park also kicks off the swim portion of the IRONMAN Texas Triathlon each April. Besides Northshore, The Woodlands is home to more than 140 free public parks and green spaces to relax or run around in.
