

MADE IN AMERICA event

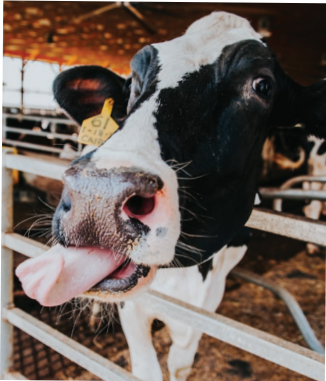

Plan your summer getaway and experience our Made In America Event where we make it here! Made In America includes tours that will show you how we make it or interactive demonstrations and educational presentations.

have it made here

The maker's spirit is alive and thriving in York County, PA. Whether it's the pride of assembling an American icon at Harley-Davidson or hand-twisting pretzels since 1935 at Revonah Pretzels, manufacturing the circuits in your electronic devices at EMSG or picking the freshest produce and turning it into delicious baked goods at Brown's Orchards & Farm Market, our favorite products are made with love and the American spirit everywhere you turn.

We invite you to not only witness the pride put into each product made in York County, but to also get a hands-on, front-row experience at each of the 42 locations participating in this year's event from June 12 to 15. Get your hands in on the action at Sunrise Soap Company by making your own batch of bath products. Tour Martin's Snacks and taste warm potato chips straight from the fryer. Watch as artisans lovingly create unique pieces of art at Under the Sun Pottery. No matter what stops you work into your visit, you are sure to make memories to last.
