

CORONAVIRUS (COVID-19) UPDATE 5/15/2020

Dear Explore York Family,

Governor Wolf announced today that York County will be one of twelve counties moving to the Yellow Phase of reopening next Friday, May 22. This means the stay-at-home order is lifted and gatherings of up to 25 people is allowed, child care and some retail stores can reopen to half their normal capacity, and workers and customers must continue to wear masks and follow all [CDC guidelines](#).

Just as all of you are beginning to think about life and business after the stay-at-home orders are lifted, so are we. It is essential that we all take into account the precautions needed to ensure we continue to keep our community and loved ones safe. My colleagues at Explore York and I are implementing strategies to make sure when we do return to the office, our staff and the public are safe and healthy.

We continue to add resources on the coronavirus and best practices for businesses on our [COVID-19 Resources page](#). I encourage you to use these aids while forming your plans for the next phase of reopening.

See you soon,
Laura Gurreri
President, Explore York

Cleaning Services

As we look toward opening our businesses and organizations to the public once again, an increased emphasis will be placed on the cleanliness of our operations. One of our local partners, Bailey Coach, is offering their services to help disinfect your locations with their Electrostatic Disinfection Sprayer. Click the button for more information.

Updates Please!

Please make sure you are keeping all of us at Explore York updated on your plans not only for reopening, but also how you plan to continue operating during the stay-at-home orders. We continue to update our blogs on [dining](#), [The Good Libations Trails](#), and [shopping](#) as we receive your communications. We encourage you to check these blogs to ensure your information is up-to-date and accurate.
