

## CORONAVIRUS (COVID-19) UPDATE

### Dear Explore York Family,

Given the current recommendations from Governor Wolf, the PA Health Department, and the CDC concerning the Coronavirus, we have made the decision for all staff at Explore York to work remotely until further notice. Our staff will be available via [email](#) and phone during this time.

These are unprecedented circumstances causing hardships across our country. However, at its heart, Explore York's mission of maximizing tourism expenditures and their economic impact on York County has not changed. Please be assured, we continue our work of striving to make tourism in York County a robust industry. We have seen hard times before, and we have bounced back time and again.

We continue to encourage all of you to stay healthy, safe, and informed during this time.
