YUMA in a Day

A Flavor Road Trip

Swap freely — this sample route pairs local flavors with memorable experiences and invites you to wander where your appetite (and curiosity) lead.

Morning Wake-Up

Cafecito + Yuma Territorial Prison State Historic Park

Start the day with a locally roasted brew at Cafecito downtown, then step into history a few blocks away at the Yuma Territorial Prison State Historic Park. Sip your coffee with a side of frontier stories before you wander iron bars and granite cells.

Midday Fuel-Up

The Landing Bar and Grill + West Wetlands Park

Refuel with a hearty breakfast of biscuits and gravy or fluffy pancakes, then take it slow at West Wetlands Park. Stroll riverside trails, explore gardens and wildlife habitat, and soak in sunlight between bites.

Lunch & Culture

El Charro Café + Colorado River State Historic Park

Enjoy Sonoran-style staples with bold flavors at El Charro before touring the historic Quartermaster Depot, where steamboats and frontier supply lines come alive along the Colorado River.

Early Dinner

Da Boyz Italian Cuisine + Ocean-to-Ocean Bridge Walk

Enjoy a casual Italian American dinner downtown, then take a twilight stroll across the historic Ocean-to-Ocean Bridge over the Colorado — excellent views (plus areas to swim or splash) and close-by urban charm after dinner.

Evening Cheers

Burgers & Beer + East Wetlands Park

Wrap your day with a refreshing drink and a toast to Yuma's rich legacy. After a happy hour at Burgers & Beer, stroll through East Wetlands Park for a golden-hour stroll with restored riverfront trails and interpretive sites.

Nichim Café
Imported Organic Coffee

All you need is love and a cup of Nichim coffee
