Submission Policy & Disclaimer

GENERAL

The [Visit Bellevue Events Calendar](#) is a feature of Visit Bellevue's website which allows the community to post events to be viewed by visitors and the general public. The calendar is open to the public as a common place to post events and is intended to connect the community and visitors with the wide array of events occurring in Bellevue.

Events should include an address and must be located within Bellevue city limits— however, events located in the Puget Sound region with visitor appeal will be considered on a case-by-case basis.
