30 of the most beautiful beaches across the US

Shackleford Banks in North Carolina

At Shackleford Banks, visitors can expect to share space with a herd of wild horses that roam around the area freely. Rob Byron/Shutterstock

Shackleford Banks is well-known for its crystal-clear waters and picturesque views. The island is also home to a herd of wild horses that roam freely along the beach, grazing on the grass on the shoreline.

It's an ideal spot for anyone hoping to escape the daily hustle for some seaside quiet.
