MAKE IT... ICONIC

Behind every championship is a story.
Behind every story is a face.

Our story began 100 years ago, with legendary names that continue to draw attention today: from the esteemed Oak Brook Polo — one of the oldest polo clubs in the United States — to the golf legends who have graced the famed Medinah Country Club. DuPage dawned the modern era of golf with the nation's first 18-hole golf course. While DuPage native Harold E. "Red" Grange, known as the Galloping Ghost, remains one of football's all-time greats, his legacy honored through the Red Grange Bowl played here at College of DuPage.

And a new generation of athletes among us, choosing DuPage to live out their championship dreams. **Join us.**
