OUR TEAM AND BOARD

PRESIDENT'S SUMMARY

JUNE 2025

Greater Palm Springs continues to see positive tourism performance despite shifting market dynamics. The **Convention Sales team has booked 93,727 room nights through May** — 98% of goal — and has secured **nearly 49,000 off-peak room nights** for 2025 through 2028. While interest remains strong, we are experiencing longer lead times and hesitancy among planners, especially in certain sectors. The team continues to adjust its strategies, with a focus on niche markets, value messaging, and in-person client engagements.

Hotel performance through May reflected **steady demand during spring**, with occupancy reaching 70% (up from 67.6% last year), ADR rising to \$269.61 (+3%), and total room revenue increasing 7.7% year-over-year. However, summer pacing suggests a slowdown, and we're seeing more price sensitivity among travelers. June MTD (6/14) leisure pace is down 9.8% and group is up 13.8%. Overall, June occupancy is down 3.7% and ADR is down 2.4% over the STLY.

We continue to encourage our cities to **explore infrastructure strategies for summer activities**. It is a critical topic that will help grow the economy and enable our region to be more attractive to new business development. Creating outdoor shade in high traffic pedestrian areas will stimulate more traffic and revenue for both businesses and cities. It is important to develop policies and programs to help existing businesses and attractions succeed in the summer months.

In response to the potential summer softening, our marketing and sales teams are **taking an aggressive and diversified approach to drive demand**:

- In late May, we launched our **reimagined summer campaign, Born to Chill**, with refreshed messaging designed to appeal to both new and returning travelers. This campaign spans television, digital, streaming audio, out-of-home, and social media across our key drive and year-round fly markets. We also expanded our reach to include New York, Minneapolis, Chicago, and Austin.
- We've also launched a **vacation rental-focused campaign** with VRBO again this year, leveraging social media channels with over 25 million followers.
- A **new Expedia co-op campaign tied to soccer world championship travel** has already generated over \$3 million in bookings and 9,500 hotel and vacation rental nights.
- Locally, we're also **promoting staycations** through a multichannel campaign encouraging both weekend and midweek getaways.

As traveler motivations shift toward family time, meaningful experiences, and values-driven decisions, we'll **continue to evolve our messaging and offerings to align with what matters most to today's visitors**. Research from Expedia and American Express confirms that travelers are planning further ahead, prioritizing experiences like entertainment and sports, and showing interest in destinations that are inclusive, locally connected, and family-friendly. You can find more information on the latest studies and traveler-sentiment research [HERE](#).

May marked the fifth straight month of record-breaking passenger traffic at PSP, and summer seat capacity is expected to exceed last year's levels. We completed our contract with United regarding the Washington, D.C., route. Overall, the flight performed well for a inaugural route. United would like to bring the flight back starting December 18 with a new contract. Based on the 2025 performance, United is suggesting 5 flights a week, with the exception of March, which will be daily service.

Synergy Sports completed an updated analysis on the viability of an **indoor multi-court sports facility in Greater Palm Springs**. Their expanded market review, now covering a 300-minute drive radius, confirmed strong demand and recommended a 10-court, 200,000-square-foot facility to attract regional and national tournaments. The projected cost is \$55–75M, with funding options such as public-private partnerships that minimize capital outlay for the destination, currently in use in other U.S. cities. The facility would serve both local and tourism-driven needs. Staff are actively engaging regional partners to explore next steps.

The Visit Greater Palm Springs Tourism Foundation remains committed to **cultivating a skilled workforce and supporting educational pathways** for careers in tourism and hospitality. Our successful pilot Student Hospitality Day engaged nearly 100 high school sophomores and 30 industry partners, earning media coverage and highlighting career opportunities in hospitality. We also participated in Palm Springs Unified School District's "Portrait of a Graduate" series to help prepare students for future success, and the team joined a site visit to Austin Community Colleges with College of the Desert to learn best practices for workforce development — insights that will inform the new COD Palm Springs campus. We are grateful to all partners and sponsors for supporting these vital initiatives. We are also proud to launch our second year of the 6-week Passport to Leadership program, which introduces rising high school seniors to diverse career paths within the hospitality and tourism industry through facilitated workshops, guest speakers, and hands-on experiences, including behind-the-scenes tours of various local hospitality centers and attractions. This year's cohort includes 10 students from all Coachella Valley school districts.

Thanks to everyone who joined us for the **fifth annual Tourism Foundation Golf Tournament** — and a special thank you to our generous hosts at Eagle Falls Golf Course at Fantasy Springs Resort Casino. We're proud to share that the tournament raised more than \$40,000, which will directly support scholarships for Coachella Valley students pursuing hospitality careers, as well as workforce development programs for our local tourism industry.

Looking ahead, our next signature fundraising event is the **Champions of Hospitality Awards & Gala**, taking place November 20 at the Palm Springs Convention Center. Nomination forms will be arriving in your inbox soon, so please keep an eye out! We invite you to recognize employees who go above and beyond — those who demonstrate exceptional service, professionalism, and a true passion for hospitality. Your nominations help shine a

spotlight on the individuals who elevate the guest experience and make Greater Palm Springs such a welcoming destination. We can't wait to celebrate with you this fall!

This year's **Restaurant Week set a participation record** with 121 participating restaurants supported by all nine cities and new incentives from **Palm Springs and Rancho Mirage**. Thank you to our Gold Sponsor, **Agua Caliente Casinos**! In addition to local coverage, our PR team also secured placements in *LA Weekly*, *Pasadena Now*, *Eater LA*, and several other LA-area media outlets, while our social campaigns generated 14M impressions from March to May.

Finally, we were proud to mark a major milestone in April at The Living Desert Zoo and Gardens, where we **celebrated Greater Palm Springs' official designation as a Certified Autism Destination**. This recognition reflects our ongoing commitment to inclusivity and creating welcoming experiences for travelers of all abilities, including individuals with autism and their families.

As travel patterns continue to evolve, our ability to stay flexible, informed, and collaborative remains essential, and we kept this in mind as we prepared our **FY 2025/2026 budget**, which is included in your agenda this month to review and vote on. In addition, our [2025 Sales & Marketing Plan](#) and [2024 Annual Report](#) are also available for your review.

Sincerely,

2025-2026 Priorities Overview

The priorities for 2025-2026 were established with guidance from the Joint Powers Authority and Board of Directors of Visit Greater Palm Springs. The focus areas have been streamlined into three distinct categories that are critical to continued success: increasing demand with an emphasis on off-peak visitation, fostering regional collaboration and economic diversity, and implementing destination stewardship initiatives.

Increase Demand/Off-Peak Emphasis

Our strategy to boost demand beyond peak travel periods is expanding beyond the traditional need period (June-September) to include the shoulder months of May and October-December. To achieve this, we are intensifying efforts to improve air service for key markets, launching a comprehensive sports strategy to attract new events, and strengthening sales and marketing initiatives targeted at off-peak and shoulder seasons.

Regional Collaboration & Economic Diversity

Our commitment to regional collaboration includes a focus on workforce development programs and advocacy for infrastructure support. By expanding opportunities and increasing awareness for careers in hospitality, we are helping to establish career pathways for youth while strengthening our regional workforce.

Our economic diversification strategy seeks to create a thriving and resilient business landscape by launching a new Economic Development website and advertising campaign, developing partnerships to attract new businesses, and engaging industry clusters relevant to our region.

Destination Stewardship

Our stewardship initiatives prioritize sustainability, cultural heritage, accessibility, community engagement, and advocacy.

To advance these goals, we are implementing training programs for staff and partners to promote inclusivity and sustainability. By leveraging our role in hosting the IGLTA Global Convention, we will showcase our destination while providing targeted sustainability training for hospitality professionals. Additionally, our efforts will focus on attracting eco-conscious travelers and enhancing sustainable practices in meetings and conventions, ensuring our long-term stewardship objectives are met.

2025 Priorities

The Convention Sales team’s 2025 priorities will focus on off-peak business opportunities, updating our summer incentive program, strategically targeting potential clients through direct sales efforts, strategic partnerships and marketing campaigns. Our proactive approach involves addressing off-peak and shoulder business (May-Dec) and key patterns during key months.

Market Analysis

A critical component of this strategy will be a comprehensive market analysis to pinpoint high-potential segments for off-peak business. The team will analyze past sales data and set business development goals for each member to ensure a focused approach. Additionally, data sources such as CRM, MINT, and Knowland will be leveraged to identify groups with a history of booking during these periods. Strategic partnerships will also be utilized to generate reports that highlight potential business opportunities between May and December, helping to position Greater Palm Springs as a preferred destination during traditionally slower months. **NEW**

Promotions

Promotional efforts will be expanded to further incentivize group bookings. The summer and Q4 2025 rebate program will be enhanced and promoted through media partnerships, social media campaigns, and collaborative marketing efforts. Leveraging key strategic partnerships, targeted awareness campaigns and incentives will be developed to drive meeting and event bookings specifically for the summer and late-year seasons. Additionally, the team will debut a newly designed trade show booth featuring mid-century modern aesthetics and an innovative digital wall display, creating an immersive experience that highlights the unique appeal of Greater Palm Springs to meeting planners. **NEW**

Partnership and Collaborations

Strengthening partnerships and collaborations will be a key focus in 2025 as Greater Palm Springs continues to drive off-peak business and expand its influence in the meetings and events industry.

Efforts will include identifying destination marketing organizations (DMOs) to establish strategic partnerships that support rotational business, ensuring a steady flow of meetings and events during traditionally slower seasons. **NEW**

The team will also work to optimize and expand existing partnerships, strategically adding new collaborations that align with the destination’s goals and provide value in reaching key industries. As part of this effort, Greater Palm Springs will leverage its strategic partnership agreement with ASAE to conduct a focus group. This initiative will provide critical insights into how to grow national association bookings in 2026 and beyond, further positioning the destination as a sought-after location for association meetings.

Marketing Opportunities

Marketing opportunities will continue to be maximized within the existing media plan and through strategic partners, with a strong emphasis on leveraging assets from “The Oasis is Real” campaign. Additionally, content development for the meeting planner audience will remain a priority, with new resources such as a custom white paper on sustainability and potential podcast collaborations that provide valuable insights and engagement opportunities.

The sports market will be a continued area of emphasis, particularly during key need periods. A strategic plan will be developed to attract Olympic team training business ahead of the 2028 Summer Olympics. This will involve researching facilities that could accommodate teams and creating a resource guide to showcase available options. **NEW**

Additionally, Greater Palm Springs has hired a dedicated Sports Sales Manager position. The scope of work is to maintain existing sports business and to generate new business during need periods and off-peak seasonality. **NEW**

By fostering strong partnerships, maximizing marketing efforts, and capitalizing on opportunities within the sports market, Greater Palm Springs will enhance its competitive positioning and attract a diverse range of meetings, events, and training programs throughout the year.

SALES, MARKETING, AND COMMUNICATIONS
Convention Sales

The team concluded 2024 on a high note, delivering an exceptional fourth quarter and surpassing the annual room night goal as well as the stretch goal for 2024. Achievement of 115% of the target, securing 237,182 room nights against a goal of 207,000. A pivotal driver of this success was the MLS Soccer NEXT Group, which contributed 11,308 room nights in December alone (MLS contracted 26,250 room nights, the team only received credit for rooms picked-up after the program actualized). Their impact was instrumental in helping us exceed our stretch goal of 225,000 room nights. Without this group, year-end performance would have still been strong at 109%, with 225,874 room nights.

For lead production and bookings, the team achieved 92% of the goal for total leads and new bookings, while new lead distribution closed at 91%. These results align with broader market trends, reflecting a normalization of lead volume as hotels adjust to shifting demand patterns.

HISTORICAL GOALS/2025 GOALS

DOMESTIC AND NORTH AMERICAN MARKET STRATEGIES

With the U.S., Canada, and Mexico serving as primary source markets during peak travel seasons, efforts will be directed toward engaging travel advisors and companies in direct flight markets. This strategy aims to support destination partners by attracting high-value guests who stay longer, explore more, and contribute to a diversified visitor base.

To achieve this, the team will expand direct flight market outreach, placing a strong emphasis on cities like Washington, D.C., Boston, and Philadelphia, while also developing tertiary markets that benefit from one-stop flight accessibility. **NEW**

Enhanced itineraries will also be promoted to showcase unique travel experiences, particularly those highlighting cultural and sustainable tourism. Regional partnerships will play a key role in creating compelling offerings tailored for travel trade professionals. **NEW**

Research

Tourism plays a critical role in the Greater Palm Springs economy, supporting one in four local jobs and generating \$9 billion in economic impact in 2023. To sustain and strengthen this economic engine, Visit Greater Palm Springs invests in strategic research that informs marketing initiatives and measures the evolving influence of tourism on the region.

Below are the key studies planned for 2025:

2024 Tourism Economic Impact Study

Tourism is a cornerstone of the regional economy, delivering substantial value to households, businesses, and local governments. As a critical driver of the region’s future, understanding the full economic impact of tourism is more important than ever. With the **changing global economy**, it is essential to assess the contributions tourism makes to local businesses, job creation, and tax revenues to guide sustainable development and growth.

To quantify this significance, Tourism Economics has initiated the data collection process for the 2024 Tourism Economic Impact Study, which is **expected to be completed in Q2**. This study will provide valuable, data-driven insights to help Greater Palm Springs effectively plan for the future and optimize tourism’s role in the region’s economic recovery and prosperity.

Additionally, we are pleased to announce that this year, we will be offering a **city-level impact study**. This study, which will be available for purchase, will provide detailed insights tailored to individual cities within the region. By focusing on city-specific data, municipalities will have the opportunity to assess the local economic impact of tourism, enabling them to make informed decisions and drive targeted strategies for sustainable growth. Cities that wish to gain a deeper understanding of the specific economic contributions tourism makes to their communities will be able to acquire this resource directly, allowing for more precise planning and development efforts.

- 2024 sessions were met at 114% of goal and users were met at 112% of goal.
- Traditionally, engagement-based metrics have served as a benchmark for understanding user activity. We did not meet the goal for highly engaged sessions (93.5%) or qualified sessions (92.4%) with the increased cookie declines and updates to platforms like Google Analytics 4 in 2024.
- To address this, we are moving away from composite metrics that attempt to generalize user behavior and instead focusing on specific, measurable interactions that directly correlate to real-world outcomes.
- By tracking key pages and actions rather than qualified and engaged sessions, it will not only showcase the value we provide to our partners and constituents but also allow us to unify measurements across different channels and pages.
- By embracing this shift, we aim to provide a clearer, more accurate picture of how our marketing efforts drive tourism and support the broader community. This approach ensures we remain adaptable and forward-thinking.

GLOSSARY

User: This is the primary user metric in Google Analytics 4 defined as total unique users that visit the website. It does include a returning website visit in the same browser.

Proposed Budget - Notes

Fiscal Year 2025 – 2026

Funding

TBID - Hotels – Note #1

Hotel TBID collections are forecasted using multiple resources. A forecasting tool originally developed by Tourism Economics that has been tested for accuracy was utilized. Data was drawn from Smith Travel Research reports, the Tourism Economics California Desert Region lodging forecast, and the CBRE Hotel Horizons Coachella Valley lodging forecast. Additionally, forecasts from TBID hotels representing 36% of total TBID hotel rooms available were used to validate the predictions from other sources.

TBID – Vacation Rentals – Note #2

The vacation rental TBID collections are forecasted using a combination of data from Key Data, LLC and Tourism Economics.

JPA Funding – Note #3

The city funding amount is based on forecasts provided by the cities.

City Marketing Partnerships – Note #4

The city marketing partnership amount is forecasted based on the terms of the agreements in place.

Tribal Voluntary – Note #5

The tribal funding is forecasted using the overall Hotel TBID forecasted year-over-year change.

Partnership Fees – Note #6

Memberships are forecasted based on renewal rate assumptions and sales targets.

Advertising & Website Revenues – Note #7

Marketing co-ops are projected to increase by \$25,000 based on opportunities that will be made available. Website revenues are forecasted to increase \$20,000 based on increasing website services selected by partners.

Joint Share Partnership – Note #8

The current year forecasted results includes \$200,000 in sponsorship for the 'Live with Kelly & Mark' show local taping which will not be repeated during the upcoming fiscal year. Partner

participation in sales missions is projected to increase based on the number of opportunity offerings.

Grants – Note #9

The \$1,759,375 multi-year grant received from Riverside County in June 2022 for the Tourism Recovery Program concluded December 31, 2024. This program will not provide revenues in the upcoming year. Annual grants from Visit California to promote the Desert Region are expected to continue. \$50,000 in economic development grant funds is also anticipated.

Other Sources: Investment Income – Note #10

Lower investment income projections are the result decreasing interest rates over the past year and lower invested balances due to the use of reserve funds.

Prior Year Rollover Funds – Note #11

The forecasted unspent funds from the current year will be utilized in the upcoming year.

Reserve Usage – Strategic S&M - Note #12

Use of \$750,000 from the \$3 million Strategic Sales & Marketing Reserve is requested to invest in the TEDx sponsorship opportunity.

Reserve Usage – Capital Asset - Note #13

Use of \$127,000 from the \$1.5 million Capital Asset Reserve is requested to purchase a new vehicle, upgrade the board room AV, and replace an air conditioning unit.

Expenses

Labor - Wages – Note #14

Studies conducted by Payscale, The Conference Board, SHRM / Willis Towers Watson and World at Work project labor costs to increase 3.3% - 3.9% in 2025. A 3.25% merit increase is included in the Labor budget.

Labor: Taxes & Benefits – Note #15

Medical rates are budgeted to increase by an average of 8%. Dental will not increase due to a rate guarantee. Vision rates are budgeted to increase 2%. Life and disability insurances are budgeted to increase by 5%. The proposed budget includes adjustments for retirement plan costs which were underbudgeted in the current year.

Marketing Production – Note #16

Lower production costs are budgeted compared to the current year due to having sufficient marketing assets in certain areas, such as, local campaigns, signature events, and international marketing efforts. Less use of outside design and editing services is also contributing to cost savings.

Media Placement & Digital Marketing – Note #17

The proposed budget includes the addition of \$750,000 for the TEDx program. This budget increase is partially offset by a \$400,000 reduction in the budget for marketing new air service routes. The use of reserves will be separately requested as needed to provide marketing for new air service. \$150,000 to market the new September Spa Month was also added.

Collateral Material – Note #18

An increase in collateral material is expected due to completion of economic development branding designs.

Familiarization Trips – Note #19

Savings in certain ancillary FAM expenses are expected to slightly lower the cost of familiarization trips.

Tradeshows / Sales Missions – Note #20

Tradeshow costs will increase with the larger footprint and booths planned for the upcoming IMEX and ASAE tradeshows. A new activation in Pittsburgh at PCMA Convening Leaders is also included in the proposed budget.

Travel & Lodging – Note #21

The travel and lodging budget has been decreased due to reduced travel industry event commitments.

Special Promotions & Representation – Note #22

The \$1,348,053 gross cost to host the 'Live with Kelly & Mark' show local taping is removed in the proposed budget as this event will not be repeated during the upcoming fiscal year.

Event Hosting – Note #23

The proposed budget includes an additional \$270,000 to host the IGLTA 2025 Global Convention in Palm Springs in October.

Research & Development – Note #24

IT – Information Technology – Note #25

The proposed budget includes an anticipated rate increase for utilized Simpleview programs recently acquired by Granicus.

Professional Fees – Note #26

Implementation of a new computer program is planned for the upcoming fiscal year that will reduce the cost of vacation rental compliance work currently done by a consulting firm.

Capital Outlay – Note #27

The planned capital projects for the upcoming fiscal year are replacing an air conditioning unit at the end of its useful life and upgrading the audio system in the office board room. The purchase of a new vehicle to be used for FAMs has also been budgeted.

Overhead-Supplies-Utilities-Fees – Note #28

Budgeted overhead expenses include new memberships intended to increase sales opportunities and new computer software to increase TBID payment processing efficiency.

Based on the Strategic Plan, develop programs to support transportation (air service / rail), workforce development and hospitality educational schools. Position the destination as sustainable and relevant to the modern traveler. Assessed businesses will receive services commensurate with the benefit received.

Assessment

There is no change in the method and basis of levying the assessment.

Assessment

The annual assessment rate is three percent (3%) of gross short-term room rental revenue of all lodging businesses within the boundaries of the TBID with fifty (50) rooms or more, and one percent (1%) of gross short-term room rental revenue of all vacation rentals. Based on the benefit received, assessments will not be collected on stays of more than twenty-seven (27) consecutive days. Every vacation rental, listing a property or room for rent, operating on a Hosting Platform shall be subject to the (1%) assessment.

The term “gross short-term room rental revenue” as used herein means: the consideration charged, whether or not received, for the occupancy of space in a lodging business or vacation rental valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever. Gross short-term room rental revenue shall not include any federal, state or local taxes collected, including but not limited to transient occupancy taxes.

Time and Manner for Collecting Assessments

The TBID assessment was implemented beginning July 1, 2021, and will continue for ten (10) years through June 30, 2031. VGPS, Cities and/or County will be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each assessed business. VGPS, the Cities and/or County shall take all reasonable efforts to continue to collect the assessments from each assessed business.

1. VGPS, Cities and/or County shall make all reasonable efforts to enter into an agreement with all Hosting Platforms to collect and remit the TBID assessment on behalf of assessed businesses using the hosting platform.
2. An assessed business, using a Hosting Platform, reserves the right to have the Hosting Platform collect the assessment based on information supplied by the assessed business, and remit such assessment to the assessed business for ultimate reporting and remittance by the assessed business to VGPS, Cities and/or County. In such case, the Hosting Platform, upon request from VGPS, Cities, and/or County, and not more than once per consecutive twelve-month period, shall provide VGPS, Cities and/or County with copies of documentation related to assessed business which have provided acknowledgement of its obligation to collect all assessments owed on a gross short-term room rental revenue and to remit and report any assessments collected directly to VGPS, Cities, and/or County.

Delinquencies

Assessed businesses which are delinquent in paying the assessment shall be responsible for paying:

1. **Original Delinquency:** Any assessed business which fails to remit any assessment within the time required shall pay a penalty of ten percent (10%) of the amount of the assessment in addition to the amount of the assessment; provided, however, that if such ten percent (10%) penalty should exceed the maximum penalty permitted by law, then the penalty shall be the highest amount permitted by law.
2. **Penalty Delinquency:** Any assessed business which fails to remit any penalty within ten (10) days after receipt of notice thereof shall pay interest on the penalty at the rate of one percent (1%) per month or fraction thereof on the amount of the penalty from the date on which the penalty first became due until full and complete payment of the outstanding penalty; provided, however, that if such one percent (1%) interest should exceed the maximum rate permitted by law, then the interest rate shall be the highest rate permitted by law.
3. **Interest:** In addition to the penalties imposed, any assessed business which fails to remit any assessment shall pay interest at the rate of one percent (1%) per month or fraction thereof on the amount of the assessment from the date on which the assessment first became delinquent until paid; provided, however, that if such one percent (1%) interest should exceed the maximum rate permitted by law, then the interest rate shall be the highest rate permitted by law.
4. **Costs of Collecting Delinquencies:** Any assessed business shall also be subject to the payment of the costs of collecting any delinquent assessment and/or penalty, including but not limited to sending notices and initiating collection actions, which shall become a part of the assessment required to be paid. All delinquent assessments and penalties shall constitute a civil debt to VGPS and shall be subject to collection by VGPS, Cities and/or County by any means permitted by law.
5. **Penalties Capped:** Notwithstanding anything to the contrary, in no event shall the total penalties, including any original delinquency penalties and interest thereon exceed the maximum amount permitted by law.

RESOLUTION NO. JPA 2025-007

A RESOLUTION OF THE VISIT GREATER PALM SPRINGS JPA EXECUTIVE COMMITTEE AUTHORIZING VISIT GREATER PALM SPRINGS TO UTILIZE THE CAPITAL ASSET RESERVE FUNDS FOR HVAC IMPROVEMENTS

WHEREAS, Visit Greater Palm Springs (“VGPS”) is a joint powers authority operating under the Joint Exercise of Powers Act (California Government Code Section 6500 et seq.), located in the County of Riverside, State of California; and

WHEREAS, VGPS is now and at all relevant times has been a duly formed and validly existing California joint powers authority and is further described in that certain amended and restated Joint Powers Agreement, dated January 20, 2016, executed by and between the VGPS Member Agencies defined therein (the “JPA Agreement”); and

WHEREAS, on or about June 6, 2023, VGPS approved and adopted a Reserve Policy that provides that VGPS must maintain a prudent level of financial resources to guard its stakeholders against service disruption in the event of temporary unexpected revenue shortfalls or unpredicted one-time expenses; and

WHEREAS, pursuant to the Reserve Policy, VGPS maintains a Capital Asset Reserve that provides a ready source of funds to support capital asset improvement; and

WHEREAS, pursuant to the Reserve Policy, the use of reserves is under the control of the Finance Committee, Board of Directors, and JPA Executive Committee. VGPS leadership’s role is to provide recommendations to the governing bodies. These recommendations shall be based on assessment that the use of reserves will be consistent with the Reserve Policy, the amount of reserves required, a time period for the need and an estimate of time to replenish the Capital Asset Reserve fund to the stated target amount; and

WHEREAS, VGPS leadership has determined that an increased use of the capital asset reserves will be needed in fiscal year 2025/2026 to upgrade the building’s HVAC systems. Nine of the building’s existing units are twenty years old and need to be replaced. The proposed budget initially considered a phased approach (one unit in FY 25/26 for \$25,000); however, Leadership believes replacing all units at once will reduce installation costs and provide discounts on equipment expenses based on the total project scope; and

WHEREAS, the amount currently in the Capital Asset Reserve is approximately \$1.5 million; and

WHEREAS, depending on the amount of Capital Asset Reserve funds that VGPS utilizes in 2025 for the purpose of HVAC improvements, VGPS' leadership estimates the time to replenish the Capital Asset Reserve to the stated target amount is approximately 1 year; and

WHEREAS, the VGPS JPA Executive Committee, the governing body of VGPS, hereby finds that it is in the best interest of VGPS that VGPS utilize the Capital Asset Reserve and proceed with the HVAC upgrade.

NOW THEREFORE, BE IT RESOLVED by the JPA Executive Committee of Visit Greater Palm Springs as follows:

Section 1. RECITALS

The above recitals are true and correct and are hereby incorporated herein by this reference.

Section 2. CAPITAL ASSET RESERVE

VGPS is authorized to utilize the Capital Asset Reserve to complete the building's HVAC improvement project.

Section 3. EFFECTIVE DATE

That this Resolution shall take effect immediately upon its adoption. This Resolution shall remain in full force and effect until rescinded by the VGPS JPA Executive Committee by resolution.

Section 4. SEVERABILITY

The VGPS JPA Executive Committee declares that, should any provision, section, paragraph, sentence, or word of this Resolution be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislations, the remaining provisions, sections, paragraphs, sentences, or words of this Resolution as hereby adopted shall remain in full force and effect.

Section 5. REPEAL OF CONFLICTING PROVISIONS

All provisions of any prior resolutions that are in conflict with the provisions of this Resolution are hereby repealed.
