FIND Food Bank Check Presentation

Scott White reported on the IMEX America 2023 give-back program by VGPS.

- The funds saved by scaling back the booth, along with the incentive for planners that we would donate \$100 to the Tourism Foundation for every lead received from IMEX, raised \$23.1K, which VGPS split between two organizations – VGPS Tourism Foundation and FIND Food Bank. FIND Food Bank was presented with a check in the amount of \$11,550. FIND Food Bank CEO Debbie Espinosa accepted the check, and mentioned they are hosting a Telethon from 7-8 on News Channel 3 tonight to raise more funds.

PLEDGE OF ALLEGIANCE

JPA Vice-Chair Waymond Fermon led the Pledge of Allegiance.

CONFIRMATION OF AGENDA

JPA Chair Gardner asked whether there were any changes to the agenda.

Agenda was confirmed.

PUBLIC COMMENT

This Public Comment period is for items that appear within the Consent Calendar or matters that are not listed on the agenda.

JPA Chair Gardner called for public comments. There were no public comments on record.

PRESENTATIONS

Kate Anderson, Director of Public Relations for Agua Caliente Band of Cahuilla Indians, gave a presentation on the new The Spa Séc-he (Séc-he means the sound of boiling water), opening on April 4, 2023.

- The Agua Caliente Cultural Museum and Oasis Trail will open later in 2023, potentially fall. More than 70K sq ft of space for the spa complex. 22 individual private baths for hot mineral springs. Closed the old spa in 2014, broke ground in 2018 on the cultural plaza project – now first stage is opening on April 4, 2023. Day Spa passes will be about \$145. The Málmal (means butterfly) Café is open to the public (Mediterranean food) – you do not need to have a booked spa service to enjoy. Website is up www.thespaatseche.com

Michael Dominguez, President & CEO of Associated Luxury Hotels International gave presentation on California's Economic Outlook.

- Most businesses are requiring employees to return to working in the office at least 3-4 days per week. London and Tokyo are already back to 75% of staff working in the office. Inflation is back to GOP margins from 2017. Inflation is expected to remain elevated at least through 2024. Airfare is 30% higher but there are not enough planes to accommodate travelers. Business travel is back to 90% of levels in 2019. Meetings are essential and companies will cut in other areas to be sure meetings take place. Avian Flu has caused eggs and chicken costs to increase. A wheat crisis is on the horizon. The boomers are the wealthiest generation in history, and they are using their wealth

for travel. The data doesn't show a recession in our future. Business investment continues to flourish. Print media is still very important.

○ Questions:

- Q: Nusrat Mirza | What do you see with labor costs?
- A: We have doubled over 24% in the last 3 years; we are now looking at the normal increase of 4% - we are always about double retail. Workforce is lacking the 25 and under demographic, and women workers are still down about 2% vs. pre-pandemic. There is a great need to increase childcare options for workers. Hospitality childcare co-op is a great idea and something we should look at.
- Q: Liz Ostoich | Will Gen Z spend or save their money?
- A: They're balanced. They want to work and are spending their money, but also putting some into savings as well. There is a shift in the current thought process of "is college necessary?"

Scott White made note that Bill Judson, Vice President of Finance & Administration of Visit Greater Palm Springs would be giving the Davis Farr Audit Presentation in place of Jennifer Farr.

Bill Judson on behalf of Jennifer Farr with Davis Farr presented the Independent Auditor's 2022 Annual Financial Report for Visit Greater Palm Springs.

Assessment

There is no change in the method and basis of levying the assessment.

Assessment

The annual assessment rate is three percent (3%) of gross short-term room rental revenue of all lodging businesses within the boundaries of the TBID with fifty (50) rooms or more, and one percent (1%) of gross short-term room rental revenue of all vacation rentals. Based on the benefit received, assessments will not be collected on stays of more than twenty-seven (27) consecutive days. Every vacation rental, listing a property or room for rent, operating on a Hosting Platform shall be subject to the (1%) assessment.

The term “gross short-term room rental revenue” as used herein means: the consideration charged, whether or not received, for the occupancy of space in a lodging business or vacation rental valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever. Gross short-term room rental revenue shall not include any federal, state or local taxes collected, including but not limited to transient occupancy taxes.

Time and Manner for Collecting Assessments

The TBID assessment was implemented beginning July 1, 2021 and will continue for ten (10) years through June 30, 2031. VGPS, Cities and/or County will be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each assessed business. VGPS, Cities and/or County shall take all reasonable efforts to collect the assessments from each assessed business.

1. VGPS, Cities and/or County shall make all reasonable efforts to enter into an agreement with all Hosting Platforms to collect and remit the TBID assessment on behalf of assessed businesses using the hosting platform.
2. An assessed business, using a Hosting Platform, reserves the right to have the Hosting Platform collect the assessment based on information supplied by the assessed business, and remit such assessment to the assessed business for ultimate reporting and remittance by the assessed business to VGPS, Cities and/or County. In such case, the Hosting Platform, upon request from VGPS, and/or County, and not more than once per consecutive twelve-month period, shall provide VGPS, Cities and/or County with copies of documentation related to assessed business which have provided acknowledgement of its obligation to collect all assessments owed on a gross short-term room rental revenue and to remit and report any assessments collected directly to VGPS, Cities, and/or County.

Delinquencies

Assessed businesses which are delinquent in paying the assessment shall be responsible for paying:

1. **Original Delinquency:** Any assessed business which fails to remit any assessment within the time required shall pay a penalty of ten percent (10%) of the amount of the assessment in addition to the amount of the assessment; provided, however, that if such ten percent (10%) penalty should exceed the maximum penalty permitted by law, then the penalty shall be the highest amount permitted by law.
2. **Penalty Delinquency:** Any assessed business which fails to remit any penalty within ten (10) days after receipt of notice thereof shall pay interest on the penalty at the rate of one percent (1%) per month or fraction thereof on the amount of the penalty from the date on which the penalty first became due until full and complete payment of the outstanding penalty; provided, however, that if such one percent (1%) interest should exceed the maximum rate permitted by law, then the interest rate shall be the highest rate permitted by law.
3. **Interest:** In addition to the penalties imposed, any assessed business which fails to remit any assessment shall pay interest at the rate of one percent (1%) per month or fraction thereof on the amount of the assessment from the date on which the assessment first became delinquent until paid; provided, however, that if such one percent (1%) interest should exceed the maximum rate permitted by law, then the interest rate shall be the highest rate permitted by law.
4. **Costs of Collecting Delinquencies:** Any assessed business shall also be subject to the payment of the costs of collecting any delinquent assessment and/or penalty, including but not limited to sending notices and initiating collection actions, which shall become a part of the assessment required to be paid. All delinquent assessments and penalties shall constitute a civil debt to VGPS and shall be subject to collection by VGPS, Cities and/or County by any means permitted by law.
5. **Penalties Capped:** Notwithstanding anything to the contrary, in no event shall the total penalties, including any original delinquency penalties and interest thereon exceed the maximum amount permitted by law.

A RESOLUTION OF THE VISIT GREATER PALM SPRINGS EXECUTIVE COMMITTEE OPPOSING SENATE BILL 584 (LIMON), A CALIFORNIA STATE SENATE BILL THAT WOULD IMPOSE A NEW TAX ON SHORT-TERM RENTAL LODGING TO CREATE A STATEWIDE LABORFORCE HOUSING FUND

WHEREAS, Visit Greater Palm Springs ("VGPS") is a joint powers authority operating under the Joint Exercise of Powers Act (California Government Code Section 6500 et seq.), located in the County of Riverside, State of California; and

WHEREAS, the VGPS members include the cities of Cathedral City, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs and Rancho Mirage and the County of Riverside; and

WHEREAS the purpose of VGPS is to encourage, promote, and to do such other things as might be necessary to enhance, to the greatest extent possible, all aspects of the hospitality, convention and tourism industry in the Coachella Valley and to attract visitors from national and international markets, all to the benefit of VGPS members and their constituents; and

WHEREAS, SB 584 is a California State Senate bill introduced by Senator Limon that would add a new tax on short-term rental lodging across the state to create the Labor Force Housing Fund in the State Treasury and would make moneys in the fund available for the creation of laborforce housing and other specified housing projects by public entities, local housing authorities, and mission-driven nonprofit housing providers; and

WHEREAS, although likely well-intentioned, passage of SB 584 would result in higher taxes on short-term rentals which would reduce visitor volume to short-term rentals, which accounted for 19% of all overnight visitors to the Coachella Valley in 2022; and

WHEREAS, VGPS member cities already regulate and tax short-term rentals in the Coachella Valley, generating \$136 million in State and local tax revenues in 2022, which revenues are used to fund essential city services such as police, fire, and public works, and the additional tax imposed by SB 584 would discourage tourism, thereby reducing these tax revenues in local cities; and

WHEREAS, the tax imposed by SB 584 will make California less competitive with other states that do not impose this tax and will negatively impact the tourism economy of the Coachella Valley, which in 2022, supported over 49,000 jobs and generated \$7.1 billion in direct visitor spending, supporting residents and local businesses; and

WHEREAS, SB 584 sets a new precedent of taxing short-term lodging at the State level that could open the door for the State to add additional taxes on hotels and other forms of lodging which would further negatively impact the tourism economy of the Coachella Valley; and

WHEREAS, SB 584 would create an affordable housing fund at the State level with no assurances in the bill that the funds collected in the Coachella Valley would be spent to benefit the workforce and residents of the Coachella Valley; and

WHEREAS, Research compiled by Tourism Economics, an Oxford Economics Company, for a 2021 Analysis of Policy Restrictions on Short-Term Rentals, indicates that short-term rentals are not a significant factor in housing affordability, especially in visitor destinations such as the Coachella Valley, and that restricting short-term rentals can actually limit new housing development in the Coachella Valley; and

WHEREAS, Short-term rentals sustained over 4,800 jobs in the Coachella Valley in 2022, enabling many in our local workforce to afford their homes; and

WHEREAS, SB 584 would negatively impact employment of our local workforce and their earning potential; and

WHEREAS, Workforce housing is a priority for the member cities of VGPS and SB 584 would threaten city tax revenues collected from short-term rentals, making it more difficult for cities to devote revenue and resources to new workforce housing development; and

WHEREAS, the VGPS Executive Committee finds that SB 584 would affect VGPS and/or VGPS' constituents, and that it is in the best interest of VGPS and its constituents that VGPS oppose SB 584.

NOW, THEREFORE, BE IT RESOLVED by the Executive Committee of Visit Greater Palm Springs, as follows:

Section 1. RECITALS

That the above recitals are true and correct and are hereby incorporated herein by this reference.

Section 2. OPPOSITION TO SENATE BILL 584

That the VGPS Executive Committee opposes SB 584 (Limon) because of the potential loss of transient occupancy tax revenue and sales tax revenue currently generated by tourists visiting the Coachella Valley cities and the surrounding communities that are active members of VGPS,

among

other

things.

Section 3. SEVERABILITY

The Executive Committee declares that, should any provision, section, paragraph, sentence or word of this Resolution be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislations, the remaining provisions, sections, paragraphs, sentences or words of this Resolution as hereby adopted shall remain in full force and effect.

Section 4. REPEAL OF CONFLICTING PROVISIONS

That all provisions of any prior resolutions that are in conflict with the provisions of this Resolution are hereby repealed.

Section 5. EFFECTIVE DATE

That this Resolution shall take effect immediately upon its adoption.

Section 6. CERTIFICATION

That the Clerk of the Executive Committee shall certify the roll call vote adopting this Resolution.

Section 7. DISTRIBUTION OF RESOLUTION

That the Clerk of the Executive Committee shall cause a copy of this Resolution to be delivered to the Senate and Assembly of the State of California and the legislative bodies of each member jurisdiction of VGPS, in addition to any other entity as may be directed by the VGPS President/CEO.

***Notes for Budget Variances > \$500k**

TBID - Vacation Rentals:

- This is a timing variance. The budget anticipated earlier receipt of these assessments collected by the cities on behalf of VGPS.

Media Placement & Digital Marketing:

- This is partially a timing variance. Not all invoices have been received for advertising placements made.
- The need for air service marketing and promotion has been less than anticipated in the budget.

Special Promotions & Representation:

- Costs have been lower than anticipated for flight guarantees, activations and workforce development.
