Heading to the desert in the middle of the summer, may sound, well, too hot to handle, but for those in-the-know, **Greater Palm Springs** (made up of 9 cities including: Palm Springs, Desert Hot Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Indio and Coachella), offers some of the best, and most **fun activities around during the summer**. Navigating these **veritable desert towns** during triple digit temperatures will take a little extra planning but grab the kids, fill up the car with all the water bottles and plan to have the same magical getaway you'd expect from this **vacation spot** during any other season.
