

Hamilton County Tourism Accessibility Program

Supporting accessibility projects to enhance the visitor experience.

WHAT WE DO

Partner with local tourism attractions and organizations to identify, support, and implement accessibility projects.

HOW IT WORKS

STEP ONE: Identify Opportunity
Tourism attractions or partners express interest or are identified by HCT.

STEP TWO: Site Assessment
HCT collaborates with area experts to complete an audit to evaluate needs.

STEP THREE: Project Planning & Funding Identification
Projects may be supported through HCT's tourism gives partnership grant or guided to additional funding opportunities.

STEP FOUR: Implementation
Collaborate to identify local, qualified partners to complete the work of qualifying projects.

WHO IS ELIGIBLE?

Tourism-related attractions, public spaces, and community partners in Hamilton County that:

- Serve or impact visitors
- Have an identified need
- Are willing to participate in planning and commit to enhancing acccessibility

WHY THIS WORK MATTERS

- Enhances visitor experience
- Strengthens Hamilton County's reputation as a responsible destination
