Located at the tip of the Baja California Peninsula, Los Cabos is made up of two cities, San José del Cabo and Cabo San Lucas, joined by a 32 km corridor.

## About Los Cabos

Boasting a dramatic desert backdrop nestled by coastlines of the Pacific Ocean and Sea of Cortés, it's home to award-winning resorts and culinary offerings, championship golf courses, celebrated spas, world-renowned sport fishing tournaments, and state-of-the-art convention facilities are among the unmatched resources of this destination.

The collection of over 80 resorts available in Los Cabos, with more than 18,000 rooms, offer high quality accommodations, allowing travellers to choose from a more traditional concept to the most modern and luxurious.

The amazing Sea of Cortés, named "The Aquarium of the World" by Jacques Cousteau, invites visitors to partake in many adventures, such as a boat trip to "The Arch", a rock formation in the shape of a giant, striking arch.

From sailing around the Arch or swimming with whale sharks, to hiking in Sierra de La Laguna or tasting the world-class farm-to-table restaurants, the experience is unforgettable!

Whether your clients plan to hit the slopes in the United States or Canada, embark on a road trip through California, or indulge in some retail therapy in New York, **Los Cabos serves as an excellent stopover destination**, making their return home a memorable conclusion to their two-nation vacation adventure.
