

LOS CABOS

HEALTH AND SAFETY PROTOCOLS FOR THE GOLF COURSES

In response to the COVID-19 pandemic, health protocols are in place at all Cabo courses ensure that golf, as a 'social distancing' sport, can be played in a clean, safe environment. The destination's new mantra is:

LET'S DO OUR PART – GOLF SMART – STAY APART

Each club has instituted its own rules, but these general initiatives are currently in effect:

Tee Time Schedule.

- Tee times scheduled 15 minutes apart.

Arrival.

- The golf courses, driving range and pro shops are open.
- It is highly recommended that the golfers pre-check in and pay their golf round before arriving to the golf course.
- Golfers are required to park their own vehicles and load their golf bags onto the already sanitized golf carts in a designated staging area before proceeding to check-in at golf shop.

Hand Sanitizer.

- Hand sanitizer dispensers are placed in the golf shop, inside the men's and women's bathrooms, on the counter at the golf shop and snack bars, and at the "Starter" station prior to tee off.
- Players are highly recommended to bring their own antibacterial gel during the round of golf, for precaution.
- Golfers are encouraged to use hand sanitizer as much as possible.

Physical Distancing Protocols.

- One player per cart unless additional player is a family member. “Gimmies” (3 feet and under) are encouraged in order to avoid contact with the cup.
- The flagsticks cannot be touched nor removed.
- The golf courses that have the system “touchless golf cups”, allows them to remove the golf ball from the cup without have to touch the golf ball or reach into the hole.
- Bunker rakes have been removed from all courses.
- Golfers are advised to practice physical distancing by standing at least six feet away from other groups that are not traveling with them, both on the course and inside / outside the clubhouse.
- Employees will practice physical distancing with all golfers as well as other employees.
- Face masks will be worn by all employees while on property.

Clubhouse sanitation.

- Cleaning staff will maintain a hygienic clubhouse by sanitizing bathrooms, chairs, tables, door handles, etc.

Golf Accessories.

- Complimentary tees, ball markers, pencils and scorecards will be placed in the golf cart.

Payment.

- Golfers are encouraged to use credit or debit cards for payments and avoid cash as much as possible (with exception of staff tips to be placed directly in “Tip Jar”).

End of Round Procedure.

- Staff can clean clubs at golfer request (using a water/Clorox solution) and ensure that players have all their golf clubs and personal belongings.
- Golfers will be followed by staff to parking lot in order to retrieve golf cart.

Golf Course Sanitizing Protocols.

- Golf carts and their components will be sanitized before and after each round, to include steering wheel, sand mix containers, club washer, ice chest for bottled water, etc.
- GPS screens will be sanitized with special products in order to avoid any damage to touchscreen.
- Rental clubs will be sanitized before and after each round.
