A NOTE FROM OUR PRESIDENT

Inspiring runners and walkers to unite as a community, benefiting Valley Forge National Historical Park while showcasing the vibrant spirit of Montgomery County.

The premise of Valley Forge National Historical Park was built on stewardship and community support – citizens actively caring for, preserving, celebrating, and protecting this national treasure.

That’s why the Valley Forge Tourism & Convention Board takes great pride in continuing that legacy through the Valley Forge Revolutionary 5-Mile Run®. For two decades, this event has united runners, walkers, and sponsors in a shared mission to give back to the park that symbolizes resilience and freedom. Together, we’ve raised more than \$800,000 to date to support critical programming and infrastructure across the 3,500-acre site of the 1777–78 Continental Army encampment.

As we celebrate the 20th anniversary of Rev Run in 2026, it’s a milestone year not only for our organization but for our nation. Next year marks both America’s 250th anniversary and Valley Forge National Historical Park’s 50th anniversary—a powerful reminder of the enduring impact of our shared history.

Your partnership ensures that future generations can continue to experience and learn from this iconic place. The 20th Annual Rev Run kicks off April 19, 2026, at Valley Forge National Historical Park—and wherever you are, thanks to our hybrid/virtual option. We hope to see your organization represented in this monumental year, whether that’s through sponsorship, on-site participation, or cheering from the sidelines.

Together, we can honor the past, celebrate the present, and invest in the future of Valley Forge & Montgomery County.

Mike Bowman – VFTCB, President & CEO

IN 19 YEARS THE EVENT HAS RAISED \$800,000

Runners trek the five-mile, USATF-certified, closed course that follows the Joseph Plumb Martin Trail, and traverses the scenic and hilly terrain of the park with steady climbs and descents, a mix of roads and trails, and ends with a tough uphill climb over the final quarter-mile to the finish line at the park's Visitor Center.

Once again, participants are able to join us virtually from anywhere in the world. Runners are invited to track their route at any point during National Park Week and upload their results to their [runsignup.com](https://www.runsignup.com) profile.

The event also includes a 2-Mile Walk which is family and dog friendly. A great component to get local businesses to team build with their staff.
