A NOTE FROM **OUR PRESIDENT**

Inspiring runners and walkers to unite as a community, benefiting Valley Forge National Historical Park while showcasing the vibrant spirit of Montgomery County.

Continuing a 21-year legacy of community, stewardship, and giving back — with a goal of reaching $1 million for Valley Forge National Historical Park.

Valley Forge National Historical Park was built on the belief that a community can come together to care for something bigger than itself. For 21 years, the Valley Forge Revolutionary 5-Mile Run has carried that spirit forward, bringing our community together to support a place that represents resilience, sacrifice, and freedom.

Because of the generosity of our runners, walkers, sponsors, and supporters, Rev Run has given more than $800,000 back to the park. Now, we have an opportunity to reach a remarkable milestone: surpassing $1 million in contributions to Valley Forge National Historical Park.

Getting there will take all of us. Your support helps preserve this national treasure and ensures that future generations can experience the history, beauty, and stories that make Valley Forge so meaningful.

We invite you to be part of the 21st Annual Rev Run on April 18, 2027, and help us make this milestone possible. Whether you run, walk, sponsor, or rally behind the cause, your participation is an investment in the enduring legacy of Valley Forge.

Together, we can give back to the place that has given so much to all of us..

Mike Bowman – VFTCB, President & CEO

IN 20 YEARS THE EVENT HAS RAISED OVER **$900,000**

Now in its 21st year and having raised more than $900,000, this signature event brings together runners, families, local businesses and community leaders in support of Valley Forge National Historical Park.

Partner with us to strengthen your brand's community presence, engage employees and align your company with the preservation of one of the region's most iconic national treasures.

Sponsors receive high-impact brand visibility across event marketing, participant shirts and on-site activations, creating valuable exposure before, during and long after race day.

See where Rev Run proceeds have made an impact!

SPONSORSHIP BENEFITS

IT'S GREAT COMMUNITY RELATIONS.

You're seen as a leader in the area, willing to take the steps to preserve and enhance the national treasure of Valley Forge National Historical Park.

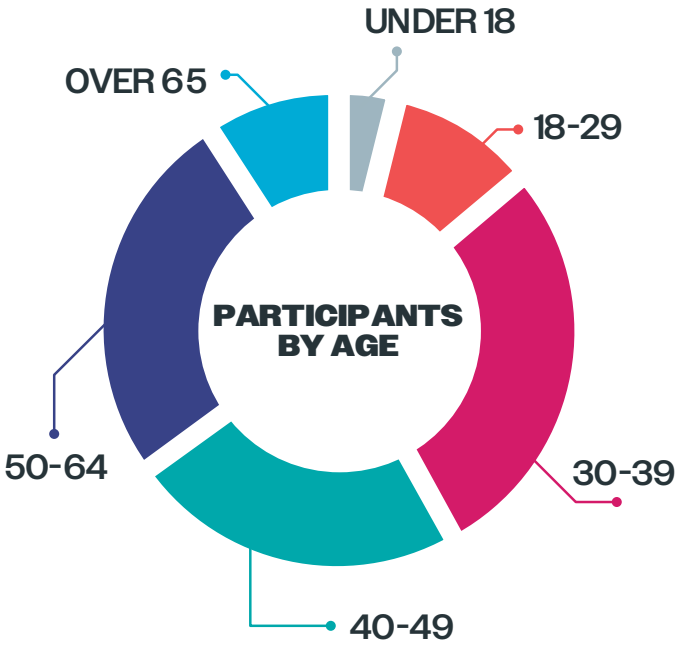

IT IMPROVES EMPLOYEE MORALE.

You position yourself as an organization that cares about the county in which it conducts business.

IT RAISES YOUR VISIBILITY.

Our runners and walkers look forward to getting their shirts with your logo on it. Your company logo will be in plain sight on running trails and in gyms long after the event.
