Purpose-built space accelerates fintech innovation, boosts capacity for 100+ employees, and ushers in a new era of growth for the Inc. 500 payments provider

IRVING, Texas, May 29, 2025 /PRNewswire/ -- SignaPay, an Inc. 500 leader in payment-processing technology, today announced the grand opening of its new **15,000-square-foot** headquarters at **6440 N. Belt Line Road, Suite 125, Irving, TX 75063**. The ribbon-cutting ceremony, hosted by the Irving–Las Colinas Chamber of Commerce, will take place on **May 29 at 3 p.m. CDT** and will be streamed live on SignaPay's Facebook page.

SignaPay's New Offices in Irving, TX

Replacing the former 10,000-square-foot office, the new facility expands workspace by 50 percent and houses an enlarged terminal-deployment station, a wellness room with a mini-gym, and a fully upgraded technology infrastructure designed to power SignaPay's next phase of product development. The move underscores the company's commitment to sustained growth and to serving partners with faster deployments, richer data insights, and best-in-class support.

"Our new headquarters isn't just a bigger office—it's an innovation hub that allows us to scale every facet of our business," said **John Martillo, CEO & Founder of SignaPay**. "From accelerated R&D to a wellness-first culture, this space embodies the future we're building for our partners, merchants, and employees."

"Revenue growth begins with operational excellence," added **Matt Nern, Managing Partner & Chief Revenue Officer**. "The expanded deployment station and cutting-edge infrastructure shorten our go-to-market timelines and give partners a true competitive advantage."

Brian McNatt, Managing Partner & Chief Financial Officer, noted, "Investing in this facility reflects our disciplined approach to scaling profitably while doubling down on the innovation that has kept SignaPay on the Inc. 500 list."

Fast Facts

- **Square Footage:** 15,000 sq ft (50 percent larger than the previous 10,000 sq ft HQ)
- **Capacity:** Workspace for 100+ employees with room for future growth
- **New Amenities:**
 - Expanded terminal-deployment station for faster merchant onboarding
 - Upgraded network & server architecture to support the proprietary tech stack
 - Wellness room with mini-gym to promote employee health and productivity
